the church would become a vast camp of uselessness if its members tried to do only what the Apostles did. The men of the first Christian century did not do, could not do, what we are doing today. Jesus Christ was never the president of a young men's Christian Association, nor was Andrew the secretary of the Brotherhood. Let us be sane about these matters. Christianity is enacted Christliness, and not a slavish imitation of the methods of Jesus. Life today must have renewal, and the Lenten spirit is the surest sign that such renewal is in progress. Just as long as a great church can be found with a hold upon its constituency so strong that they will for six weeks be and do practically what the church prescribes, just so long there will be a living vital goodness in this old world."

DEEDS, NOT WORDS

La Grande People Have Absolute Proof of Deeds at Home

It's not words but deeds that prove true merit.

The deeds of Doan's Kidney Pills, For La Grande kidney sufferers, Have made their local reputation. Proof lies in the testimony of La Grande people.

Mrs. M. E. Nibler, 2106 Third street La Grande, Ore., says: "My back ached and I had severe pains through my right side. I was all crippled up, and I found it hard to do my housework. One of my relatives had used Doan's Kidney Pills and advised me to try them. Two boxes drove away the aches and pains, and I have had no trouble since. Everything I said about Doan's Kidney Pills when I recommended them before, I willingly confirm now."

SUNDAY THEME ON OLD STORY

COTTER'S SATURDAY NIGHT IS CHURCH THEME.

Presbyterian Organ Recites Merits of Lenten Observation.

Cotter's Saturday Night is the theme of what is promised to be an interesting lecture tomorrow evening at the M. E. church. Rev. E. B. Fyke, the minister, announced this theme for the Sunday evening service, and special music will be furnished. During the winter Dr. Fyke has reviewed several well known stories and poems and he believes that tomorrow night's address has in it much that is interesting, instructive and religiously helpful.

Apropos to the Lenten season now ruling, is an article from the Continent, a Presbyterian organ of Chicago, which goes on to say:

"We have no sympathy with those who look askance at the Lenten methods of the ritualistic church. They do their votaries good. We do not feel that we are the less Christian because we do not observe times and seasons, and because genuflections and signs of the cross are not a part of our daily exercise. It is as true now as in Paul's time, 'One man esteemeth every day alike.' Neither should pass judgment on the other. To his own Master each stands or falls, and no man, or church, or council is that master. Nor do we follow those who say, 'There is no warrant in the New Testament for keeping Lent. Our Lord did not keep it, neither did the Apostles.' What of it? There is no warrant in the Scriptures for the movement called 'Men and Religion' nor for such organizations as the 'Laymen's Missionary Movement,' nor for the 'Presbyterian Brotherhood.' That life would be poor and barren which did nothing for which it could not find detailed direction in the New Testament, and
