

Specify - Electric - Lights -For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.

grain, and grain or garden or clover can go between trees; this 40 for \$125 per acre, \$3000 cash down; and one 40 also facing on county road, all in five year old commercial apples, and alfalfa, for \$125 per acre, half cash down; or the whole 200 acres for \$24000, \$10,000 down, balance terms at 7 percent interest. We might consider nicely improved residence property in La Grande or Portland, up to \$3000 or \$4000, if all the farm is taken together and \$10000 cash down, good terms on balance. This farm is all of deep, black, sub-irrigated loam soil, with no waste land on it and lays fine for platting into small tracts. There are fine springs, a flowing well, buildings, shade, a full bearing family orchard of apples, pears, peaches, plums, prunes, cherries, berries, etc. and all kinds of grain including corn, also tender vegetables such as beans, tomatoes, melons, celery, etc., has been raised in abundance there. Anyone wanting any of this land with the young orchards left on it had better not delay for they will nearly all be plowed out by March 1, and the land seeded to grain.

Riot Incitor Arrested.

Oregon City, March 16.—E. E. "Blackie" Iles, alleged instigator of the Oswego Home Telephone company's strike riot last May, in which one was shot and others were badly injured, was arraigned in Judge Campbell's court today, pleaded guilty to a charge of assault and battery and was sentenced to serve six months in jail. Iles was arrested with 12 others but jumped bail. At the trial of the remaining eleven, all of the testimony given by these placed the blame on the missing man.

Iles was then located in Dallas, Texas, by the sheriff of this county, who after considerable difficulty had the arrested man extradited. Other counts of the indictment were dropped. One of these charged him with inciting a riot.

Out Again is Emmaline.

London, March 16.—Emmaline was in again, and is out again, hunger strike, "nuf ced," about Emmaline.

At dawn this morning six doughty militants armed with hammers, smashed the windows of Home Secretary McKenna's residence. They did not try to escape arrest but submitted to the officers and were "gently" taken to the Westminster police court and sentenced to six months' at hard labor. This is a record sentence and will likely end as the rest have done, namely, in their release on account of a hunger strike.

Ugly Sores Quickly Banished

You Marvel How Worst Skin Eruption Disappear as Result of Famous Remedy

If you should meet anyone varnishing a sore with a greasy ointment, your best advice would be to quit such things and attend to the blood. To successfully fight any blood trouble, some eruptive skin disease—call it eczema, lupus, psoriasis, or whatever—get your blood under the influence of S. S. S. It is one of those rare medical forces which act in the blood with the same degree of certainty that is found in all natural tendencies. The manner in which it dominates and controls the mysterious transference of rich, red, pure arterial blood, for the diseased venous blood is marvelous. Out through every skin pore acids, germs and other blood impurities are forced in the form of invisible vapor; the bowels, kidneys, bladder and all emunctories of the body are marshalled into a fighting force to expel every vestige of eruptive disease. There is scarcely a community anywhere but what has its living example of the wonderful curative effects of S. S. S. Get a bottle of this famous remedy to-day, and if your case is stubborn or peculiar, write to the Swift Specific Co., 216 Swift Bldg., Atlanta, Ga. Do not permit anyone to talk you into some useless compound they put up as a substitute for S. S. S. No honest druggist will do this.

DON'T COUGH YOURSELF INTO A SERIOUS CONDITION.

To neglect a cough or cold is always a hazardous act. A cold so often goes down on the lungs, and the cough that follows may easily be a symptom of bronchitis, pleurisy, or even pneumonia. Coughing frequently follows attacks of la grippe, and if severe and persistent, is a tax on the system that weakens the vital resistance. Foley's Honey and Tar compound is an effective medicine for coughs and colds, is a perfect demulcent that may be relied upon for quick relief. A man named A. R. Ellison, Taylor, Wis., writes: "I make a point of recommending Foley's Honey and Tar Compound to all those needing a certain and safe cure from coughs and colds." For sale at Hill's Drug Store.—Adv.
