Obituary.

Lucinda Kennedy was born in Tennessee the 12th day of November, 1837, and passed away at La Grande March 12th, 1914. She crossed the plains in 1864 and settled in La Grande, where she was shortly afterward married to George Mitchell.

Mr. and Mrs. Mitchell made their home in La Grande and Baker until the death of Mr. Mitchell January 20, 1900. For the past nine years Mrs. Mitchell has made her home with her daughter, Mrs. Edna Owsley of the Grande Ronde valley.

Mrs. Mitchell was a faithful member of the Christian church of Baker for several years. She was a good wife and mother and a faithful friend. She leaves to mourn her loss six children, Mrs. Emma Allen, Mrs. Laura Owens, Mrs. Edna Owsley, and Mr. G. W. Mitchell, all of La Grande, and Mrs. Rose Hornbeck of Salem, Oregon, and Mr. Elmer Mitchell of Los Angeles, California, also a host of friends. Two children, Martha and Stephen, passed away some years ago.

The funeral was held from the residence of Mr. F. H. Owsley, Saturday, March 14, at 1:30, Rev. R. E. Close of the Baptist church, officiating. Interment was made in the Odd Fellows cemetery.

Recommends Chamberlain's Cough Remedy.

"I take pleasure in recommending Chamberlain's Cough Remedy to my customers because I have confidence in it. I find that they are pleased with it and call for it when again in need of such a medicine," writes J. W. Sexton, Montevallo, Mo. For sale by all dealers.—Adv.

McManus is Re-Indicted.

John P. McManus, veteran editor of the Pilot Rock Record who was indicted at the previous session of the grand jury only to have the indictment quashed, was reindicted by the jury last week, the charge being the same, larceny of a quantity of grain valued at \$45 from Sam Barlowe. The previous indictment was quashed upon the grounds that the name of R. R. Johnson was omitted from the list of witnesses examined. Mr. Johnson, as an attorney, testified that he had advised Mr. McManus to remove the barley when Mr. Barlowe refused to. The new indictment reads exactly as did the old one save that the name of Mr. Johnson is included among the witnesses.—Pendleton E. O.

Card of Thanks.

We hereby wish to express our sincere thanks to all our friends for their kindness and sympathy shown us during the illness and death of our dear mother, Mrs. Lucinda Mitchell, and also for the beautiful floral offerings sent.

TO MAKE YOUR HAIR MORE BEAUTIFUL

To give your hair that gloss and luster and wavy silky softness, use Harmony Hair Beautifier. It takes away the dull dead look of the hair, and makes it bright—turns the stringiness into fluffiness—overcomes the oily odors and leaves a sweet, true-rose fragrance—makes the hair easier to put up neatly and easier to keep in place. It is just exactly what it is named—a hair beautifier, and whether your hair is ugly now or beautiful, it will improve the results. Simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change the color of hair, nor darken gray hair.

To keep your hair and scalp dandruff free and clean, use Harmony Shampoo. This pure, liquid shampoo is most convenient to use, because it gives an instantaneous rich, foaming lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall stores, and in this town only by us. Hill Drug Store.—Adv.

Clean Up Notice.

United effort is in progress by the fruit growers of Union county to clean up the apple and pear orchards infected with blight, before the blossoming period. I would like to urge immediate action on the part of property owners, and the parties in charge of property, where apple and pear trees are grown, to make a careful inspection of their trees, and cut out and burn all dead wood or branches. The fruit inspector will be pretty busy
