Joe Jones Not Seriously Hurt.
He was called to the flour mill for a big load of flour, and no sooner was he unloaded, call No. 2 came in to hurry back for one more load. It was his feelings that were hurt only, as he was very busy with other hauling. He wanted to know why people eat so much flour when potatoes were cheap. So when you want to know how much Made at Home Flour is used in La Grande, just ask Jones, the man who drays it. 3-18-2t

ASK YOUR GROCER ABOUT THE TOBE GIVEN AWAY \$150.

They are going to give away One Hundred and Fifty Dollars (\$150.00) with **UPPER CRUST FLOUR.**

Each sack you buy will be numbered. Your grocer will write your name and address on this number and mail same to us. We will then send you our check for 25 cents per sack, which is a special advertising allowance we are giving you instead of spending a like amount for advertising.

ORDER TODAY

The retail price of this flour is "positively" \$1.45 per sack and cannot be purchased for less (except on this advertising plan.) 600 sacks only will be sold on this campaign. We won't say anything about the quality. After you try a sack it won't be necessary. Phone your grocer to send you a sack and he will attend to the 25-cent rebate for you without any trouble to you in the least.
