

Specify - Electric - Lights -For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.

JOSEPH HOLDS ITS PRIMARY

CITY CONVENTION HARMONIOUS AND DILIGENT.

Joseph Preparing for Coming Summer School at Joseph Lake

One of the best attended and most enthusiastic conventions ever held in the town was that held in the Odd Fellows hall Monday evening for the purpose of nominating four councilmen and for the discussion of needed improvements for the town, says the Joseph Herald. The meeting was well represented by ladies.

Mayor Fred McCully presided as chairman and A. K. Parker as secretary of the convention.

A number of talks were made relating to the excellent administration of the city's affairs by the old council and expressing the hope that all of the old councilmen whose terms expire at this time would conclude to accept another nomination. With this end in view all three of them, Wes Duncan, A. J. Richardson and Nate Tryon, were re-nominated and Lou Knapper as the fourth councilman. Mr. Richardson not wishing to run again, declined the nomination and Glenn Leslie was nominated.

These four were declared the unanimous choice of the convention and Duncan, Knapper and Leslie were nominated for two years and Tryon for one year. The hold-over councilmen are L. E. Caviness and M. C. Brooke. The mayor and all of the other city officials are hold-overs.

The matter of amending the charter so as to allow the council more latitude in expending money for needed improvements was discussed at length. Since it will require a special election to adjust this matter, the council was instructed to have the necessary amendments prepared, to be voted upon in the near future.

The matter of re-organizing our commercial club was also discussed and in order to start the ball rolling, the chairman appointed as a committee to make the necessary arrangements and call a meeting within a few days—Prof. Coe, L. Knapper and F. H. Gaulke.

With great enthusiasm the coming term of the Willamette University summer school was discussed and arrangements will be commenced at once for the entertainment and accommodation of the faculty and students. The necessary financial assistance was pledged, the same as last year, and as a committee to look after this part of it, the chairman appointed Mrs. Gaulke, Mrs. Coe and Mrs. Schaupp. A motion was made and carried that the mayor assist these ladies in these matters.

TO THE PUBLIC.

When it comes to a question of choosing a desirable piece of ground for a home site, or for any other purpose for that matter, I believe I am in a position to offer not only a very good choice of ground, but also terms that will make the renter feel like owning his own home. I offer for choice, three (3) five acre tracts on East Adams Ave., acreage at Oro Dell building lots near Palmer mill, a 10 acre tract partly set to fruit trees on the Island City road, and a few lots in Park addition, known as the Sugar Mill site.

The terms are not burdensome, and instead of paying rent you can make payments on the property and soon own it. Then it will be yours. The property can be made to pay for itself. I will be glad to show it to you. It will pay young men to investigate.

J. A. RUSSELL,

To the Housewife.

Madam, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments and are most likely to lead to serious disease. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's Cough Remedy stands high in the estimation
