Specify - Electric - Lights -For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.

CHURCHILL AT WALLOWA CITY

STUDENTS HEAR TWO EDUCATORS LAST WEEK.

Twenty-Inch Bull Trout Caught in Wallowa River—Other News.

Wallowa, Ore., March 23. — (Special.)—Last week in the high school auditorium two addresses were made by men who have made good. Dr. Hodge, of the University of Oregon, gave a lecture both afternoon and evening along scientific lines. Much stress was laid on the fact that the people of the United States support the fly by paying millions of dollars for the damage he has done in the disease line, instead of getting rid of the pest. In the evening stereoptican views were shown, in which he showed the effect of alcohol upon dogs, and touching upon the extermination of our birds. State Superintendent of Public Instruction, Mr. Churchill, gave an interesting talk to the high school pupils Friday afternoon. Mr. Churchill visited several schools in the county and Saturday attended the teachers institute at Lostine.

The Embroidery club held its meeting at the home of Mr. and Mrs. J. P. Morelock, Bethel Russel and Myrtle Logan acting as hostesses.

A. E. Tulley left Monday for Ontario to look after matters which his business, as dairy inspector, requires. Olive Golf spent Friday at her home at Minam, then going to Elgin Saturday, returning for school Monday.

E. A. Goodnough has purchased a Case touring car and is learning the essentials and "stunts" about running one.

Mr. H. B. Davidhizer of Joseph, was in Wallowa several days in the fore part of the week. His principal mission is auctioneering at the sale at Toney Sherod's ranch.

J. P. Morelock yesterday caught a fine bull trout measuring 20 inches from tip to tip. Several large fish have been caught this winter in and about this city, the largest being 30 inches, which was caught by Jimmie Evans.

An auction sale was held at Tony Sherod's farm in which all his farming implements were sold.

A number of young people were entertained last Wednesday by Misses Lent Marvin and Helen Pingar at the home of Mr. and Mrs. Marvin. A splendid evening was spent at cards. Alexander Cameron arrived last Sunday from Walla Walla for a visit with relatives in this city.

C. E. Hayden of the Jackson Duvall

YOEMAN DISTRICT DEPUTY IN THE CITY.

W. B. Holdiman, district manager for the Brotherhood of American Yoeman, is here to remain a month. He expects to add a class of at least 50 to the local lodge. Chas. McCorkle is correspondent for the homestead in this city.

Lumber company, left for Kansas City and Oklahoma. Mr. Hayden owns a farm in Oklahoma.

It has been reported that Henry Schock, of the East Oregon Mercantile company, who is now in Portland, is married, and that he expects to return to Wallowa soon to make his future home.

An afternoon tea was held Tuesday at the home of Mr. and Mrs. Rod McCrae.

Ashford McGinnis, who has been attending high school here, returned to his home in Powtka last week.

The prize of the W. C. T. U. medal contest was won by Grace Hall. Several good recitations were recited and a pleasant evening was spent.

Gus Perret, the Peters cartridge man, arrived yesterday and after attending to business made his exit today.

Gray Miller and Luther Menderson arrived on the stage Saturday evening from Flora.

Harry Purgell, who is working at Gwynn siding, spent Saturday and Sunday in the city.

The Stork arrived at the home of Mr. and Mrs. Losh Wolf, bringing a fine baby girl.

Ray Johnson and Bailey Maxwell, residents of Imnaha, are in this city visiting with friends and relatives. Mr. Johnson has just recently purchased about the smallest car in the county, in which they arrived at Wallowa.

Mrs. McHollister, mother of Mrs. E. L. Holmes of this city, arrived from Portland today.

Hector McDonald arrived home from Portland Tuesday where he has been spending a considerable portion of the winter.

The county teachers meeting which was held at Lostine Saturday was attended by the local teachers.

Lawrence Southwick, of Hermiston, Ore., is in the city visiting with friends and relatives.

A special evening was spent by the Odd Fellows and Rebeckahs Friday night. Several brother lodgemen of Lostine and Enterprise, were present.

BROODING OVER MISTAKES.

It Does No Good and is Merely Committing a Second Fault.

Mistakes are to be laughed at. If one were to take seriously every little mistake he made life would become a burden to him. Laugh at your own little mistakes and do not feel grieved. Others laugh at them. Laughing will help you remember to avoid them another time quite as well as giving away to serious regrets.

Some people are forever taking themselves to task for some shortcoming. They are the overconscientious ones. If we act foolishly on the impulse of the moment it is no more fair to punish ourselves than to punish a child for a little mistake. It is right to look for the error and acknowledge it. If one has wronged another he ought to confess it and be more careful than put it out of mind.

To grow morose and solemn is to commit a second fault. No one is doing any good to himself or others by constantly eating the bread of penitence. The only time to remember a mistake is when one is tempted again to the same fault. Daily and hourly keeping up self reproach, one is worn out. This does not mean never to listen to the warnings of conscience, but to see the fault, start afresh and keep cheerful and hopeful. — Milwaukee Journal.

AWAY WITH CATARRH A FILTHY DISEASE

Instantly Relieves Swollen, Inflamed Nose, Head, Throat—You Breathe Freely—Dull Headache Goes—Nasty Discharge Stops.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning! the atarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately. Don't lay awake to-night struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but truly needless. Put your fate—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.

Clean Up Notice.

United effort is in progress by the fruit growers of Union county to clean up the apple and pear orchards infected with blight, before the blossoming period. I would like to urge immediate action on the part of property owners, and the parties in charge of property, where apple and pear trees are grown, to make a careful inspection of their trees, and cut out and burn all dead wood or branches. The fruit inspector will be pretty busy and will probably visit most of the places infected. Due to the fact that blossoming period is not far off, notice for the time to clean up will be short.
