DRINK HABIT CURED. Nearly all drinking men will not admit that he needs treatment for this disease until he gets down and out, and then he will try and find some remedy. The time to take treatment is when he first finds he cannot stop drinking. Nearly all drinking men say, they

are going to quit themselves, they know they are fast going down by excessive drinking and yet will promise their wife, mother or friend that they will quit it but how many men after once acquiring this disease do stop themselves? About one in one hundred. If a man would only realize this fact before it grows on him to such an extent he would not have to take treatment but would leave it alone himself. But very few do this. If you are a drinking man and wish to quit, come and see me. I can cure your appetite for liquor, and do so without injury to your health. It will pay you to investigate.

What the majority of the people want is sure to be the best of its kind. That is why a majority of the people want Foley Kidney Pills for all kidney and bladder ailments, rheumatic troubles and urinary irregularities. They know that once Foley Kidney Pills are taken, good results follow. Foley Kidney Pills are healing, tonic and strengthening. They are made with one supreme end in view: to give to sufferers from all disorders of the kidneys and bladder, no matter how affected, relief from their misery and strength from their weakness, by driving out the cause of the trouble in the quickest and surest way. Kidney trouble not only means the familiar symptoms of backache, pains in back and hips, weak and soreness over the kidneys, rheumatic pains and swellings. But it means also a dull headache, sleeplessness, loss of appetite and energy, dizziness and impaired eye sight, and a nervous run-down and tired-out state of being that drives away ambition and energy. Men and women are alike subject to kidney and bladder ailments, and annoying urinary troubles that are a torment by day and a sleep-disturber by night. Foley Kidney Pills regulate quickly and give the kidneys just the help nature needs to restore their healthy action. We do not claim that Foley Kidney Pills pay the largest percentage of profit to the middleman, but we do claim they give relief, comfort and sound health to the greatest number of those who use them, and in the shortest possible time. You can get them in every drug store in 50c. and \$1.00 sizes. The \$1.00 size contains 2 1-2 times as many as the 50c. size.

N. B.—In taking any course of med-

icine, and particularly for kidney troubles, it is advisable to use a good cleansing cathartic. We advise Foley Cathartic Tablets. They are fine in effect and work in harmony with Foley Kidney Pills. For sale by Hill Drug Store.—Ada.

NEW ZEALAND'S GUM MINES.

Gathering a Harvest That Ripened Ages and Ages Ago.

Gum digging in New Zealand offers one of the most unusual and interesting forms of labor, partly because of the ease with which the work may be carried on and partly because it is said New Zealand is the only country where gum digging is done.

Originally the gum which is now brought to light came from the kauri tree, which is now scarce, but ages ago great forests of it probably covered most of the northern part of the North Island. These forests were swept away by fire, and today the landscape is mostly low brown hills with occasional swamps. Gum burns very easily, but such as was covered by the dank forest debris escaped the fire.

Hardened and preserved through uncountable ages, this is the gum the gum digger seeks today. By paying 5 shillings a year he may wander and dig where he likes over enormous areas of government lands. All that is required is a kind of spear to locate the gum, a spade to dig it and a bag to put it in. At night it is scraped and sorted, according to size and quality.

"In digging," says a writer in Pearson's Magazine, "you enjoy all the excitement of gambling without incurring the sin. And then to work for yourself when you like, where you like and how you like is delightful beyond belief. Also you are free to live as your fancy turns and to have as many friends as you wish or as few."

The climate is pleasant, and the returns from the work, though not financially great, ranging from \$1.75 a day upward, are perhaps all that the enterprise warrants.

Wheels in a Watch.

The main wheel in an ordinary American watch makes four revolutions a day of twenty-four hours, or 1,440 in a year; next, the center wheel, 24 revolutions in a day, or 8,760 in a year; the third wheel, 192 in a day, or 59,080 in a year; the fourth wheel, 2,440 in a day, or 545,000 in a year; the fifth, or scape wheel, 12,960 in a day, or 4,728,200 in a year. The ticks or beats are 388,800 in a day, or 141,882,000 in a year.—Milwaukee Free Press.
