Boils Are a Bad Indication

No Time Should be Lost in Purifying Your Blood.

At the first appearance of pimples and boils the blood should be given a good searching internal bath with S. S. S. the greatest blood purifier known to man.

This remarkable remedy has the peculiar action of soaking through the intestines directly into the blood. In a few minutes its influence is at work in every artery, vein and tiny capillary. Every membrane, every organ of the body, every emunctory becomes in effect a filter to strain the blood of impurities. The stimulating properties of S. S. S. compel the skin, liver, bowels, kidneys, bladder, to all work to the one end of casting out every irritating, every pain-inflicting atom of poison. It dislodges by irrigation all accumulations in the joints, causes acid secretions to dissolve, renders them neutral and scatters those peculiar formations in the skin that cause boils and other skin eruptions.

And best of all, this remarkable remedy is welcome to the weakest stomach. In a very brief time S. S. S. has the reconstructive process under control that all eruptive places heal.

You can get S. S. S. at any drug store. Beware of any effort to sell you something claimed to be "just as good." If yours is a peculiar case and you desire expert advice, write to the Swift Specific Co., 212 West Bldg., Atlanta, Ga.
