

MT. GLEN LAND CHANGES HANDS

Mt. Glen, March 26, (Special)—The funeral of the infant son of Mr. and Mrs. H. S. Hendricks, was held in the Mt. Glen chapel Wednesday afternoon, March 17 at 12:30 o'clock. Interment was made in the La Grande cemetery.

J. D. McKinnon has just recently sold his land here to a Portland man. The funeral of the infant son of land has been known as the Wilson place, the consideration was not divulged.

E. D. and Frank O'Neal have leased Mr. Evans' place, consisting of 160 acres, more or less. The O'Neals will take possession at once and Mr. Evans will move to La Grande, where he will make his home. For some time Mr. Evans has been an enterprising farmer in this section for many years and now thinks he will take life easy.

C. L. Spiker of La Grande was in this neighborhood the end of the week transacting business.

N. M. Feik made a trip to Elgin the first of the week.

J. H. Millering has been busy the past few days pulling apple trees for J. S. Mitchell. This makes the third orchard that has been up rooted since last fall. A traction engine and

block and tackle are the instruments used. Several more orchards will be pulled out in the future.

Everybody is plowing and getting ready for seeding.

The Literary Society meeting held Thursday the 19th was a grand success. A good program was rendered. George Stodard of La Grande was the principal speaker. Many good points were given on the subject of finance. Next Thursday night, March 26, there will be a debate, a general good time is anticipated.

J. R. Beddes, has purchased the remaining part of the Wilson land, consisting of 35 acres. The consideration is \$70 per acre.

Asa and Jewl Hendricks, of La Grande, made a trip to this place the first of the week.

Peter Allen expects to move soon from his large farm to his place in Mt. Glen.

Jas Ainsworth returned Wednesday from an extended trip in the east.

Mrs. N. M. and Mrs. A. J. Feik of Mt. Glen, made a trip to La Grande the first of the week and were the guests of Mr. and Mrs. Will Rogers. H. S. Hendricks recently purchased

a small tract of land near the Feik mill where he will make his home. Mrs. Eva Perry, who has been quite ill for some time is able to be around again.

The Mt. Glen school enjoyed a very pleasant trip on the mountain Thursday.

LINCOLN TOLD A STORY.

It Was So Good It Inflicted and Then Remitted a Fine.

Abraham Lincoln, during his early career as a lawyer, traveled a circuit in Illinois. Judge David Davis and Lincoln were close friends, says the author of "Lincoln's Own Stories," and the judge always showed a keen appreciation of Lincoln's stories.

"I was never fined but once for contempt of court," said a man who was a clerk of court in Lincoln's day. "Davis fined me \$5. Mr. Lincoln had just come in, and, leaning over my desk, had told me a story so irresistibly funny that I broke out in a loud laugh. The judge called me to order, saying:

"This must be stopped. Mr. Lincoln, you are constantly disturbing this court with your stories."

"Then he said to me:

"You may fine yourself \$5."

"I apologized to the court, but told the judge that the story was worth the money. Shortly afterward the judge called me to him.

"What was that story that Lincoln told you?" he asked.

"I told him, and he laughed aloud in spite of himself.

"Remit your fine," he ordered."

King Edward's Memory of Faces.

On one occasion Louis Sterne, an engineer and inventor and a friend of Charles Dickens, showed King Edward when Prince of Wales his exhibits at South Kensington and the Crystal Palace.

"The next time I met the prince," said Mr. Sterne, "I was crossing Piccadilly, at the top of St. James' street, before the days of refugees. In trying to escape being run down I ran directly into the arms of his royal highness. He at once recognized me and said, 'Mr. Sterne, you should give this traffic time and never cross the bows.' I expressed surprise that he should recognize me, to which he replied that he never forgot either face or name if associated with any matter of interest."—London Telegraph.

A Useful Dunce.

During the war between the states General Sedgwick had on his staff a very dull lieutenant, who seemed never to be able to do anything without making mistakes. One day a friend asked the general:

"Why do you keep Jones on your staff? He seems a perfect dunce."

"Do you know," replied General Sedgwick, "Jones is one of the most useful members of my staff? Before I issue an order I always have Jones read it. If he can tell what it means I am sure there can be no chance that any one will misunderstand it."

The Skin and Not the Blood.

Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientists have taught us that eczema is positively a skin disease and curable through the skin alone. Meritol Eczema Remedy is applied directly

Specify - Electric - Lights - For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.

Therefore, when we offer you Rexall Dyspepsia Tablets with this proof of our faith in them, it leaves you no room for hesitation or doubt.

The remarkable success of Rexall Dyspepsia Tablets is due to the fact that they contain, among other things, Bismuth and Pepsin, two ingredients endorsed by the medical profession as invaluable in the treatment of stomach ills. In a short time they tend to restore the stomach to a nat-

urally comfortable, easy-acting, healthy state. They also benefit the bowels.
