LADD CANYON LIKES LOCAL

AFTERNOON TRAIN IS BIG ACCOMMODATION.

Farmers Prepare Fields for Planting—Roads in Good Shape.

Ladd Canyon Ore., March 25.—(Special)—The weather conditions have changed here since yesterday morning it being quite chilly, accompanied by a little rain and snow. However, farmers are continuing plowing and the various other ways of getting the fields in condition to sow and a few have most of their garden provisions up. The roads are in splendid condition for this time of the year, not being rough, only in a very few places and it is getting to be a common sight to see automobiles passing to and from Hot Lake again.

A few have branded their stock preparatory to taking them to the mountains in a few days.

Mr. and Mrs. Albert Krouse and children, who have been spending the winter at Portland are back here.

Mrs. Bell Huntley of La Grande and sister, Mrs. Albert Evanson of Grant's Pass, came out on the Baker local from La Grande last Friday and visited until Sunday with their mother, Mrs. Marie Larm. This train has been a source of pleasure to a good many who like to come out here, as it makes two stops when requested: one at Lone Tree station, a distance of something like a mile and a half from Ladd Canyon and the other at Hot Lake, a distance of three miles. Lee Furgason, and two sons, Henry and Oscar Furgason recently came down from Baker and visited at the home of Alec Furgason their son and brother respectfully, the boys going on to Elgin with some horses, where they will conduct a splendid farm belonging to Mr. Furgason.

John, (or more commonly known as Jack) McCanley was able to make his first trip away from home last Saturday after being very sick with pneumonia for a period of something like two months.

Miss Ruth Peebler has been quite ill since last Sunday, from an unknown cause.

To the Housewife.

Madam, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments and are most likely to lead to serious disease. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's Cough Remedy stands high in the estimation of people who use it. It is prompt and effectual, pleasant and safe to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers.—Adv.

HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray! Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. Adv.

Specify - Electric - Lights -For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.
