

# ALL CHURCHES AT TOP SPEED

PRESENT AND COMING WEEK  
ARE IMPORTANT.

Revivals, Missions, Chapel Services,  
Noon-day Services, Features.

Appropriately enough, church affairs have largely superseded social functions this week. The past week has been busy and the coming week the more so. The Catholic mission for women ends tomorrow and the mission for men begins. Monday the noon-day services for all men who can possibly attend, begin at Honan Hall. These services are very brief and are similar to those which are held in many large cities during Passion and Holy week. It is believed the work here will be tremendously popular once it gets to be known. Details are announced elsewhere in this issue.

After April 1st, Christian Scientists will meet for their regular service of the present location.

Tomorrow local Lutherans will hear a well known educator preacher when Rev. R. W. Buzzard of Bellingham, comes here to spend a few days. He is secretary of the Pacific Theological Seminary at Portland, and is a forceable speaker. Two churches, Christian and the Methodist church South, have been conducting excellent revivals this week.

**Chapel Services Tomorrow.**

Presbyterians will tomorrow evening close up shop as it were in their downtown house of worship and will conduct services in the Northside chapel, intended to reach Northside people who have difficulty coming to the principal church Sunday evening.

**Prisoner of Chillon Is Theme.**  
Tomorrow night Rev. E. B. Fyke will lecture on "The Prisoner of Chillon", the lecture being in the series

of addresses on well known poems and classics, given this winter. The program for noon day services commencing Monday is:

**Passion Week.**

Friday, April 3.—He was mocked, despised, rejected.

Saturday, April 4.—He drank the cup of sorrow.

Tuesday, April 7.—The Cross the revelation of God's love.

Wednesday, April 8.—The Cross our assurance of pardon.

Thursday, April 9.—The Cross our assurance of peace.

**Good Friday, 12:05-1 P. M.**

I.—"Behold the Lamb of God."

Until recently it has been a generally accepted theory that eczema was a disease of the blood. Scientists

**Specify - Electric - Lights**  
-For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.
