Specify - Electric - Lights -For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.

UNION CLEANS UP THIS WEEK

ALLEYS STREETS AND HOMES
RENNOVATED.

Personal News and Mention from Union Section of Valley.

Union, March 31.—(Special)—Mrs. Annie Meyers of North Powder is visiting in Union with her parents, Mr. and Mrs. Sam Haynes. Mrs. Meyers will remain for some days and help to take care of her mother who has been quite sick but is better now.

Born to Mr. and Mrs. Bassett, a son. Mr. Bassett is the engineer at the Wright sawmill.

Dr. Paddock the veterinary of Union made a trip to North Powder Sunday evening to inspect a car of stock that was to be shipped at that point to Portland.

This week will be cleanup week for Union. We are going to take one week instead of one day. Everyone is asked to clean their premises and this will help the appearance of our little city amazingly.

The final number of the lyceum course was given to a crowded house on Thursday night of last week. Chapins' Lincoln was the best of the whole course and the audience appreciated it.

The Missionary society of the Presbyterian church met at the home of Mrs. Gilfillian on Friday afternoon. Officers were elected for the following year, Mrs. C. E. Davis, President, Mrs. Emily Cook, vice-president, Mrs. Cadwell, secretary and Mrs. George Scibird, treasure. There was not a very large attendance owing to the busy season but a fine program was given with Mrs. Goodrod as leader after which refreshments were served and the society adjourned to meet with Mrs. Townley and Mrs. Bideler in April.

Uncle Bill Hutchinson who has been quite sick for some days is out again and will soon be as well as ever.

F. W. Seavert had a fight with his auto and got the worst of it. He has a badly sprained wrist as he was hit by the crank while trying to crank his auto.

We are busy trying to get our taxes paid and trying to find out how much we have to pay. This is one of the

worst predicaments that ever a state got into over taxes. No one seems to know just where we stand. Judge Cleeton deserves a vote of thanks from the taxpayers on the decision that he has given.
