Yell Defiance at Blood Disorders

A Remedy That Has Shown a Most Remarkable Purifying Effect.

At Last You Can Get Rid of Blood Troubles—S. S. S.

The word Medicine is one of the most abused in our language. There are certain medicinal properties just as necessary to health as the food we eat. Take, for example, the well-known medicine S. S. S. This famous blood purifier contains medicinal components just as vital and essential to healthy blood as the elements of wheat, roast beef, the fats and the sugars that make up our daily ration.

As a matter of fact, there is one ingredient in S. S. S. which serves the active purpose of stimulating each cellular part of the body to the healthy and judicious selection of its own essential nutriment. That is why it regenerates the blood supply; why it has such a tremendous influence in overcoming Rheumatism, Catarrh of the Stomach and Intestines, skin eruptions and all blood troubles.

Get a bottle of S. S. S. at any drug store, and in a few days you will only feel light and energetic, but you will be the fittest of new life. S. S. S. is prepared only in the laboratory of The Swift Specific Co., 219 Swift Bldg., Atlanta, Ga., who maintain a very efficient medical department where all who have any blood disorder of a stubborn nature may consult freely.

S. S. S. is sold everywhere by drug stores, department and general stores. Don't permit anyone to sell you a substitute. Insist upon S. S. S.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs Kidneys, then Back hurts and Bladder bothers you.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
