SAM SMALL IS COMING THE 9TH

FAMED ORATOR TO TALK AT M. E. CHURCH.

Eloquence and Sallies of Wit Bring Him Popularity Everywhere.

SAM SMALL, ORATOR.

Man who has swayed audiences from coast to coast—he is called the greatest orator of America.

Sam Small is coming to La Grande. A La Grande man who knows him well said today in announcing his coming:

"Those who have heard Rev. Sam Small, that gifted and eloquent son of the Southland, will want to hear him again, and it gives us pleasure to announce that on Tuesday, April 9th, at 7:30 p. m., at the First M. E. Church in our city, an opportunity will be given to hear again America's most eloquent and noted evangelist and advocate of temperance reform. "All the great convention at Columbus, Ohio, Nov. 10 to 13, and again at Washington in December when the committee of 2,000 assembled to petition congress for the speedy submission to the states of the Shepherd-Hubson amendment, Sam Small was one of the most striking figures, frequently stirring the great crowds to the wildest enthusiasm by his eloquence and sallies of wit."—Adv.

GOOD NEWS.

Many La Grande Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in La Grande are glad to learn where relief may be found. Many a lame weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our

citizens are telling the good news of their experience with this tested remedy. Here is an example worth reading:

Mrs. W. F. Graybill, 1408 Washington avenue, La Grande, Ore. says: "I was bothered by a dull pain across the small of my back. I had dizzy spells and blurring before my eyes. I also suffered from weak kidneys. I used Doan's Kidney Pills and they benefited me. Another of my family has also used Doan's Kidney Pills and recommends them. I have not had a sign of kidney trouble since I took Doan's Kidney Pills several years ago. I gave them my endorsement after I was benefited, and I willingly confirm it now."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Graybill had. Foster-Milburn Co., Props., Buffalo, N. Y.

Add Canyon Items.

Ladd Canyon, April 3.1.—(Special): True to the old adage, March was ushered in with weather as gentle as a lamb and out like a lion, but not a very vicious one, the day being very cloudy with a high wind. Today, Alls Fool's day is a similar one, and those who came out with views of catching a good string of fish were very likely sadly disappointed as Ladd Creek is still a trifle high and most too "riley" for good fishing yet.

Mr. and Mrs. William Winburn and children have been forced to abandon a very good home in La Grande, on account of Mr. Winburn's health. He is suffering chiefly from rheumatism, which is thought to have been brought on by working so long in a damp place. They have selected Ladd Canyon as the place for recuperation, and are located in a house across the road from Mrs. Winburn's parents, Mr. and Mrs. William Banton.

Helen Peebler, the spinal myelitis parent, who suffered a severe sprain of her ankle a few weeks ago when she was thrown from her riding pony is able to attend school again. Even though she has been afflicted four years next August, she gets along remarkably with the aid of crutches and a tricycle, and friends will be pleased to know that she hasn't been absent from school but a very few days this term.

"Grandma" Peebler, widow of the late J. J. Peebler of La Grande, is spending some of her time out here this week at the homes of her three sons, Dick, Henry and Adolph Peebler.

Mrs. W. B. Campbell, who recently returned to her home in La Grande, from Portland, where she had been spending the winter, visited over Friday and Saturday here with Mrs. John McConley, Sen.

Mrs. James Mulholland and daughter, Murriel, and Mr. and Mrs. Alice Ferguson are spending today over at Island City with "Grandma" Mulholland who expects to leave there in a few days to seek a place where he will endeavor to have a cancer cured. Mr. Mulholland is widely known all

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs Kidneys, then Back hurts and Bladder bothers you.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Shoemaker Invents Fireproof Suit.

Hibbing, Minn., April 3.—Martin Panian, shoemaker and inventor of a fireproof suit and helmet, was today considering accepting an offer from a moving picture concern to give a demonstration of his invention which has been successfully tried out a number of times. If Panian accepts the offer of the moving picture company, he will wear his outfit into a real blaze and probably will be made the hero of a thriller woven around his invention. The suit is for the use of firemen carrying the nozzle of a fire hose. The suit and helmet are lined with two layers of asbestos and canvas, between which water is circulating by means of a tube which connects with the nozzle of the hose. The outlets for the water are at the hands. Another tube which connects with the nozzle, operates a fan which circulates air through the helmet.

Anti Gambling Crusade Is On.

Geneva, April 3.—A big anti-gambling crusade is sweeping over Switzerland, mass meetings being held in numerous towns to protest particularly against the operation of roulette establishments in the various kurstaals, Geneva, Berne, Thun, Lucerne and Montreux.

The Swiss Anti-Gambling Committee, which is conducting the propaganda, demands the entire abolition of roulette within five years. It is expected that in a few days the 50,000 signatures required for the taking of a referendum on the subject will have been obtained. In the meantime the government is energetically pursuing its inquiry into the system of mail order bookmaking and English races now flourishing in this city, at the request of the British consul.

"Gets-It" for Corns On Your Piggy-Wiggles!

Quit Puttering With Corns. Use This Sure, New-Plan Corn Cure.

A few drops of "GETS-IT," the biggest seller in the world today of any corn remedy, is enough to spell positive doom to the fiercest corn that ever cemented itself

to a toe. It's good-bye Johnnie. You apply "GETS-IT" in two seconds—no fussing with plasters that don't stay put, with knives that make corns "pull" and make the toe beefy and raw, with knives, scissors, rasors and diggers that make corns grow faster and that may cause blood poison from corn-cutting and corn-bleeding. "GETS-IT" shrivels up corns, they come right off. That's the new principle. It's just common sense. No more corn-pains. "GETS-IT" is safe, and never hurts the flesh. Get rid of corns and calluses. "GETS-IT" is sold at 50c a bottle by all druggists, or sent direct if you wish, from E. Lawrence & Co., Chicago.
