EVERY WIFE'S DUTY

Watch Husband's Hair. If Thin Or Full of Dandruff Insist On His Using Parisian Sage.

Men give but little thought to the care of the hair. Not until the first bald spot appears do they really take notice. If your husband's hair is getting thin; if he has dandruff or itching scalp, take immediate action—do not let him become a bald head.

Get from any drug or toilet counter a 50 cent bottle of Parisian Sage. The first application stops itching head and removes dandruff—the great hair destroyer. A little Parisian Sage rubbed well into the scalp for a few nights will work wonders. When the hair stops falling and the new growth appears a frequent use of this invigorating tonic is all that is needed to make the hair perfectly healthy, thick and beautiful.

Surely try Parisian Sage. Newlin Drug Co., sells it with an agreement to refund your money if not satisfied.

Specify - Electric - Lights -For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.
