

### Specify - Electric - Lights -For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.

## KILPATRICK IS NOT CANDIDATE

### EFFORTS OF SALEM BOARD TO OUST FAILS.

Former La Grande Man Will Not Seek Re-election as Principal.

EARL KILPATRICK.

Former La Grande man who will not apply for re-election at Salem as high school principal. Mr. Kilpatrick is a La Grande high school and U of O graduate.

Salem, Ore., April 7.—Refusing to give permission for the holding of the junior-senior high school annual banquet at the Marion hotel, the Salem school board last night put its foot down on anything that looks like undue extravagance on the part of high school pupils. Members of the board expressed the opinion that the banquet should be held in the high school building and that simplicity should be a prominent feature. They also said this should be the case in regard to graduation dresses.

Principal Earl Kilpatrick of the high school, who with City Superintendent Kuntz, was slated for "the ax" by four of the five members of the board, did not put in an application for re-election. Seven other teachers declined re-election and three did not put in applications. The seven who declined re-election for various reasons included four high school teachers.

No action was taken in regard to the positions of city superintendent and principal of the high school. The board will meet Monday night to consider applications.
