KNIGHTS AT UNION HOSTS

FORTY-TWO FROM HERE VISIT
SISTER HALL.

Most Friendly Visit Cheers and Fans
Pythian Relations.

Felicitations fraternal, neighbor and intertown ran rampant between Union and La Grande last evening when 42 local Knights of Pythias chartered a special train and invaded Union. There they witnessed exemplification of initiation in the ranks of esquire and knight, La Grande supply ing a neophyte for the knight rank. To a minor degree La Grander assisted in the initiation but at the close of the lodge session, the visitors swept all others aside and took possession of an array of foodstuffs such as only Union stockshow boosters know how to dish up. Union Knights were gracious hosts and liberal providers for inner men. After the breaking of bread and passing of cup, a dozen or so veterans and strangers from a strange land in castle halls not their own, bubbled over with praise for the Union knights, dwelt upon affairs of the lodge, and made themselves and their listeners agreeable. Marion Davis the grand old Pythian of Eastern Oregon, presided at the festal board and approaching morn alone stopped the flow of oratory simile and metaphor.

STOREKEEPER ABUSED.

Discharged Fireman Arrested When
He Talks Loudly in Store.

J. H. Sommers a local fireman (that is, has been) came into French & Scranton clothing store this morning and in the presence of lady customers heaped an abundance of abuse on the proprietors of the establishment, they claim for having intercepted the regular passing of his monthly pay check. The language he used is said to have been shocking and Proprietor Scranton had him incarcerated, where he will await trial on the charge of disorderly conduct and swearing.

He was indebted to the store to the extent of \$26 the proprietors claim and when it became noised about that he would leave the city Scranton took legal steps to garnishee his wages for the amount due him.

Last night through abusive statements made concerning one of the superintendents of the O.-W., he lost his job.

LAUNDRY ADDS EQUIPMENT.

New Machine Will Speed Up Capacity of Cherry's New Laundry.

Geo. Gilbert has installed, in Cherry's new laundry, another machine which is said to be the last thing in laundry machinery. This is a new shirt finishing machine that cost him \$750 and which enables the operator to do much better work in less time than previously, and do it with less wear and tear to clothing. "From year to year," said Mr. Gilbert today, "laundry machinery improves. This last machine is right up to the minute and makes my plant as complete as the best plant in any large city. As a matter of fact no laundry in Portland has any more up-to-date machinery than I have. We have to keep pace with the times in order to satisfy an exacting public. I have just introduced a new machine that will do away with the cracking of cuffs and collars, and this is a big feature in our business. I always try to get the best machinery there is."
