

The Government protects your money in this bank

NATIONAL BANKS Are Under

the direct supervision of the Government. They are inspected frequently and are compelled to make a public statement of their resources five times a year.

National banks are subject to more laws than any other class of banks in the world. They are therefore the safest financial institutions existing—all their depositors being under the direct protection of the U. S. Government.

Accounts in this National bank are solicited from firms and individuals. Every assistance given depositors—consistent with Government rules.

SPRAY MAKERS CLOSE UP DEAL

C. O. RAMSEY & CO. TO HANDLE DISTRIBUTION.

Exclusive Spray in Biggest Centers Enters Field For Keeps.

The Grasselli Chemical company of Cleveland which makes the famed arsenate of lead spray used in Hood River, North Yakima, Rogue River and in fact every big fruit district of the Northwest, has closed arrangements with C. O. Ramsey & Company of this city to act as distributors for the Cleveland firm this year.

The official announcement that fruit growers will be compelled to give more attention to spraying small and non-commercial orchards than has been the rule in the past, runs hand in hand with the Grasselli spray announcement, for both commercial and non-commercial orchard owners have in the past found this spray of high quality.

everywhere, and the famous Hood River Apple Growers' association, which handles the Hood River output, has used the spray exclusively for five years, the North Yakima and the Rogue River associations exclusively for three years each.

In making his announcement today relative to the agency here Mr. Ramsey said: "With local fruit growers knowing the value of this spray, and with the known fact that it is exclusively used by the three biggest apple associations of the Northwest, there remains little more for the manufacturer or the distributors to say in its behalf."

COMFORTING WORDS.

Many a La Grande Household Will Find Them So.

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting words to hundreds of La Grande readers.

Mrs. Laura McClure, 1313 Madison Ave., La Grande, Ore., says: "Exertion and colds often brought on an attack of backache. When I had these spells my kidneys didn't do their work well, and I was annoyed by dizzy and blinding spells. I was restless and couldn't sleep well. When I got up in the morning, I felt all tired out. I finally used Doan's Kidney Pills and they gave me great benefit. I can confirm my former endorsement of Doan's Kidney Pills, and add that the benefit they gave me has been permanent. I have never had a sign of kidney trouble since."
