

Specify - Electric - Lights
-For Your New Home-

If you are building this year specify electric lights. It is safe to say that 90 per cent of the houses built in La Grande this year will install them. No home is modern without them. They are as important as sanitary plumbing.

Good lights are equally important, however, if you happen to live in a rented house. Your landlord owes it to you, and you owe it to yourself to have nothing but the best light. Electric lights are easily installed and will prove a source of lasting satisfaction to you. Call or phone Main 34.

CROP OUTLOOK
IS VERY GOOD

WALLOWA COUNTY FIELDS BEING SOLD.

Early Seeding Indicates Bumper Crop Throughout the County.

Wallowa, April 22.—(Special)—The outlook for this year's crop is of the brightest owing to the dry condition of the ground at this time of the year. The farmers are busy plowing and getting the ground in shape for the spring crops. The summer-fallow and fall grain is in fine condition and is ahead of records set by previous seasons. The grass is coming up fine owing to the showers and warm weather. On the mountains the grass is beginning to appear green and soon the hills will be of a solid green. All in all, the present outlook for this year's future is much brighter than in certain past years.
