### OREGON PEOPLE DISCOVER SHORT WAY BACK TO STOMACH HEALTH

Use of Mayr's Wonderful Stomach Remedy Brings Surprisingly Quick Results.

If you want to feel well quick be sure that your stomach is alright. A very large part of human ills are centered in the stomach and the digestive apparatus.

Hundreds of Oregon people have found the way to health in the use of Mayr's Wonderful Stomach Remedy, a truly remarkable remedy. The first dose proves what it will do—and there is no long treatment. Here is what some Oregon people say of the remedy:

MRS. W. H. HELLMAN, 222 Ainsworth Street, Portland, Ore. wrote: "I am beginning to feel like a different person. I have been telling my friends about your wonderful remedy."

W. H. GERRISH, Albany, Ore. wrote: "If it had not been for your

medicine I feel sure I would have been dead by now. I feel like a new man."

Thousands of others from all parts of the country have written in praise of the remedy. It is known everywhere, because it brings results. Its record is astonishing.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings swift relief to sufferers from ailments of the stomach, liver and bowels. Many say that it has saved them from dangerous operations any many declare that it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure its MAYR'S. Go to Hill's drug store and ask about the wonderful results it has been accomplishing among people they know—or send to Geo. H. Mays, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill. for free book on

stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you the wonderful effects.—Adv.

#### Try It on the Dog.

The farmer looked at the stranger and shook his head.

"What d'ye call yourself?" he asked. "The Orphan of the barnyard," replied the caller.

"What'n Tophet is that?" demanded the agriculturist.

The stranger smiled. "A college professor has declared that hens will not lay at certain seasons unless they are amused. I'm the man who sits on a barnyard fence and amuses them. See, here is my mouth organ, and here is my tambourine. I play and sing and crack jokes until the hens roll over in sheer delight—and all for 50 cents an hour."

The farmer eyed him moodily. "I wonder," he said, "how your talents would impress the dog? Here, Rover!"—Cleveland Plain Dealer.

#### One Way to Cure "Nerves."

We remember hearing of an Englishman, a distinguished soldier, who was naturally a very nervous boy, but who had cured himself of the infirmity through reading Lever's novels. The manner in which Lever treats of all bodily peril as a kind of joke introduced him to a new philosophy that made any exaggeration of the advantages of bodily safety seem not only morbid, but ridiculous.—London Spectator.

#### Distinction.

"Don't you believe women can keep a secret?" "Of course they can keep a secret." "Well, I'm glad one man will admit it."

"Women can keep a secret. The trouble is they won't."—San Francisco Chronicle.

#### Quite Natural.

Bertha—And do you really believe that a woman always turns to the last page first when she picks up a book? Percy—Well, I have no reason to doubt it. I know it is the nature of the fair sex to want the last word!—London Telegraph.

#### Willing to Help.

Father (to his old friend's pretty daughter)—Goodbye, my dear! I won't kiss you—I have such a cold. His Son (with alacrity)—Can I do anything for you, father?

#### A Man's Vote.

To request an honest man to vote according to his conscience is superfluous; to request him to vote against his conscience is an insult.—Gladstone.

#### That's Different.

She—I hate big check patterns for cloth dresses. He—That's the pattern of the last check I sent your dress-maker for them.—Exchange.

## HEAVY FROSTS DO NO HARM

UNION FRUIT NOT INJURED MATERIALLY.

Chicken Roosts at Union Suffer at Hands of Thieves Lately.

Union, April 21. (Special to Observer)

Union had a hard frost the other night but the fruit does not look as if it was injured and persons that have examined it report that if it has the injury is so small that we will not feel it. On Sunday this vicinity was visited with a hail storm that threatened for a while to damage the blossoms but did not, only knocking off a few of the buds. The rain fell in torrents so the hail was soon melted.

Mr. and Mrs. James Holmes left for Utah last Saturday night to make their home. They sold their residence to King Spein, who will make that place his home.

Mrs. Risley has returned from her home in Kansas City where she had been called by the serious illness of her mother. She left her mother much better and as soon as her mother is able to travel she will come to Union as her physician fears that she would not be able to stand the warm summer in that climate.

Some of the young people of Union took in the Knights of Columbus dance in La Grande last week and report a splendid time while there.

Mr. Knight and Rev. Trueblood of Cove were business visitors in Union recently.

A lot of new books of the latest fiction and other kinds have been received at the library and are now catalogued and on the shelves. The library is doing a land office business and the librarian, Mrs. Ersland, certainly understands her business.

Mr. Parker has moved his second hand store on Main street into the building owned by the Odd Fellows. This is a better location than he was in on a back street.

Complaints have been made lately about householders losing their chickens. There seems to be some one who visits the chicken roosts and invariably gets the best of the flock. Summary measures are threatened by the officers, who are on the watch, when the guilty parties are caught.

Homer Bidwell of North Powder was a business visitor in Union on Monday.

Carl Forsstrom came down from North Powder in his auto last Saturday and spent the week end with his family.

The Junior class are planning to give the high school seniors a reception on May 8th. This is an annual event which is eagerly looked forward to by both classes.

Rev. Adams who has been holding meetings for the Christian church only stayed for a few days as he had other appointments which he had to attend.

Mr. and Mrs. Thomas and baby son were La Grande visitors the other day.

Miss Elizabeth Chase will leave for California this week to be gone for some time.
