SPORT FILMS GIVEN PRAISE

SHOW HERE SATURDAY NIGHT TO BE WINNER.

High School Auditorium to Be Used to House the Audience.

Wing, Fin & Fleetfoot club directors have made arrangements for the coming of ex-State Game Warden Finley next Saturday night when the well known sportsmen will give a two-hour moving picture show at the high school auditorium for the benefit of local sportsmen. The admission is free and everywhere it has been shown, the praise has been loud. Chas. B. Orai saw it in Portland and proclaims it the greatest moving picture film he has ever seen. Writing from Pendleton E. F. Averill, deputy game warden writes the Observer about the film, praising it highly. He says:

"I just want to tell you that Chas.

You'll Grow Over "GETS-IT" for Corns!

It Will Startle You How "GETS-IT" Gets Corns Every Time.

"One, two, three!" That's about as long as it takes you to apply "GETS-IT," the new-plain, simplest, surest corn cure the world has ever seen. Corn fussing is all

"This is No Place for a Crow. Her Corns are All Gone. She Must Have Used 'GETS-IT.'"

over. Corns, corn pains and calluses are absolutely done for, from the minute you apply "GETS-IT." Forget the bother of useless plasters, greasy salves that spread and make toes sore and raw, little doughnut cotton rings that press on corns, forget knives, razors, scissors and the dangers of blood poison from drawing blood, and the contraptions and harnesses that simply make corns worse. "GETS-IT" never hurts the flesh, never falls.

"GETS-IT" is sold by all druggists. 25c a bottle, or sent direct by E. Lawrence Co., Chicago. FOR SALE BY ALL DEALERS.

B. Orai cannot exaggerate any in describing them and that you will be safe in boosting them for all you are worth. They are the finest things of the kind I have ever seen. They have the famous Rainey's African Hunt pictures backed clear off the map and the people of La Grande, or of any other city for that matter, are very fortunate to have the opportunity of seeing them. The show is really worth a dollar of any one's money. "The object of Mr. Finley's visit is to show the people what the state fish and game commission is trying to do for the sportsmen of Oregon with the money paid in for hunting and fishing license and to interest more people in the good work of game protection and game propagation.

"He has not yet notified me as to what all he will bring with him but he has angling films that will give any disciple of Walton and arm ache, big game films that will make your trigger finger itch and your mouth water, cat hunting scenes calculated to raise the lover of this kind of sport out of his seat. He also has some pictures which show in a remarkable manner just how fish are spawned and reared artificially and why it is better to spawn them artificially than to depend upon natural methods; pictures which show the work being done at the Oregon game farm at Corvallis, the largest and best state game farm in the country and a number of slides of bird life which are a revelation to the uninitiated.

"Honestly I think you will be conferring a great favor upon the people of your city by urging them to see these films and I am sure you will feel the same way about it after you have seen them. This is not a money making scheme for anyone. It is simply a move to interest people in a most worthy cause."

Tuxedo The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the favorite tobacco of critical American smokers—a refined tobacco for men of refined taste. No other tobacco has ever received the endorsement of so many famous Americans—leaders in their different spheres of activity, whose judgment carries weight and commands consideration.

Tuxedo is made from the very mildest, ripest Kentucky Burley tobacco—aged until perfectly mellow. Then treated by the original "Tuxedo Process" that makes Tuxedo absolutely non-biting and decidedly throat-soothing—and develops the wonderful mildness, fragrance and flavor of the Burley leaf in a way no other tobacco has ever successfully imitated.

The handy 5c Cloth Pouch of Tuxedo fits snugly in the vest pocket, and keeps the tobacco fresh and delicious by its inner wrapping of moisture-proof paper. Especially popular with smokers who make their own fragrant Burley cigarettes from Tuxedo.
