WEDDING IS REAL SURPRISE

HERYFORD WEDDING IN LA GRANDE A SURPRISE.

Logging Train Now Running After Repairs Are Made to Track.

Ladd Canyon, Ore., April 29.—(Special)—Miss Ruth Peebler completely surprised every one, even her most intimate companions April 26th by becoming the bride of Reginald Heryford, the ceremony being performed in La Grande by Justice of the Peace, Arthur Williams. Mrs. Heryford is the third daughter of Mr. and Mrs. Dick Peebler and has grown to womanhood in this neighborhood, having been born here. Her husband is a young man of this valley but his parents are now residing at North Powder. Here's wishing

that their joys may be as deep as the ocean and their sorrows as light as the foam.

The weather still continues to be fine, enabling the farmers to accomplish much.

Mr. and Mrs. Edward McMasters and son drove down from their ranch at High Valley Sunday and spent the day with Mr. and Mrs. Tom Bates, returning that evening.

After standing idle for some time the lumber train resumed operations again yesterday. The ties have been torn out in various places in order to allow the high water to pass through.

NOTICE OF PROPOSED STREET IMPROVEMENT.

TO WHOM IT MAY CONCERN: You are hereby notified that the Committee on estimates appointed by the Commission of the City of La Grande, Oregon, to make an examination of the property, upon which assessments are to be levied to pay the costs and expenses of the street improvement hereinafter described, as to the valu-

ation and extent, if any of the benefits to be derived by said property by reason of said improvement, have made their report in writing to said council, which report has been received by said Commission and is on file in the office of the Recorder of said city, and is open for your inspection. That it is the intention of said Commission to levy a special assessment against all the property hereinafter described for the purpose of paying the costs and expenses of improving South side of N Ave., from West curb line of Fourth Street to the East curb line of Oak Street by grading and placing thereon a standard 5 foot concrete sidewalk according to the plans and specifications therefore heretofore adopted by said Commission and on file in the office of the Recorder of said city.

That the real property included in and the boundaries of the district benefitted and affected by said proposed improvement are as follows: Beginning at a point on the intersection of the center line of Fourth Street with the center line of "N" Avenue the boundary line runs thence west along the center line of "N" Avenue to the center line of Oak Street, thence south along the center line of Oak Street 80 feet to a point opposite the south property line of Lot 12 in Block 3 Wisdom's Addition to the City of La Grande, Oregon, thence east along the south property line of Lots 1 and 12 in Block 3 Wisdom's Addition to the City of La Grande, Oregon, to the center line of Cedar Street; thence south along the center line of Cedar Street to a point opposite the center of Block 78 of Chaplin's Addition to the City of La Grande, Oregon; thence east and through the center of Blocks 78, 77, 76 and 75 of said Chaplin's Addition to a point west 100 feet from the west property line of Fourth Street; thence north to the southwest corner of lot 5 in Block 75 in Chaplin's said Addition; thence east to the center line of Fourth Street; thence north to the place of beginning;—all in the City of La Grande, Oregon, and the estimated cost of said proposed improvement is \$1,327.19. You will further take notice that said City Commission will meet at the Commission Chamber in the City Building of said city on the 13th day of May, 1914, at 7:30 o'clock P. M. of said day to consider making said proposed levy and will then and there grant a

hearing to any and all persons feeling aggrieved against, or on account of said proposed assessment.

Keep the Bumpety-bump from the Back-Bone of Your Baby

Bump, bump, jog, bump—that's what the ordinary seat-springs of an ordinary baby carriage do to the spine of your baby.

This Name on the Frame of Every Genuine is the only one made that is bump-proof, jar-proof, shock-proof. This is because of the Sidway long-leaf suspension spring, which absorbs all shocks from the roughest sidewalks or roads. Just like riding on air. This spring is adjustable, so that the tension is always just right whether the baby weighs ten pounds or forty. The exceptional bed length and width of the Sidway give ample room for pillows and quilts, and the baby is never cramped for space. Other exclusive Sidway features are cushion tires of live rubber. Two years' guarantee. See the full line at F. D. HAISTEN.
