Union, May 4.—(Special to Observer.)—Robert Brown an employee of the Union Pine Lumber Co., had the misfortune to mash two fingers on one of his hands while engaged in his work about the mill. He came to town and had his hand dressed by a physician and found that it would not be necessary to have the fingers amputated as it was thought that they would have to be at first. He is getting along nicely and will soon be at work again.

We were all delighted with the Elks Minstrel show from La Grande and Union turned out "en masse" to greet them. It was estimated that between four and five hundred people attended the show which was followed by a free dance. The proceeds will go to help the stock show. The Union people appreciate the efforts of La Grande and will only be too glad to reciprocate whenever we can.

SAGE TEA DANDY TO DARKEN HAIR

Look years younger! Use the old-time Sage Tea and Sulphur and nobody will know.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy" at any drug store. Millions of bottles of this old, famous Sage Tea Recipe are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff goes, scalp itching and falling hair stops.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days. Adv.
