When a citizen dislikes his home town so bad that he sends away for his mail, its high time to move to other altitudes. As the change may help him, and that he prefers to pay his freight on his household goods, at the other end, not here. Don't worry, let him go.

But the above lines, don't have anything to do with us all using Home Made Flour, made right here in La Grande. Ask any dealer, they all agree with us on these lines.

Have a house built for you, to your order; just as you like it, with strong lines of individuality about it. You take pride in it---your friends admire it. Satisfactory! What's the answer? A happy family.
