MONEY EASY FARTHER EAST

LOCAL MAN RETURNS WITH PUREBRED COWS.
 Less Automobiles, Less Style but Bigger Bank Accounts.
 J. W. Bush of this city and F. C. Hamilton of Summerville, who made a trip back to Wisconsin for the purpose of purchasing pure bred Holstein cows, have returned with three cars of choice stock. Mr. Bush brought 22 head of cows, ranging in years from three to six, with which

he will stock his ranch a short distance from Cove.
 Mr. Hamilton brought 28 head of cattle, including four registered Holstein bulls. Some of these he has already sold and others will be disposed of, and some will be taken to his ranch near Summerville for breeding purposes.
 Aside of the information concerning these shipments of cattle, Mr. Bush, this morning, in an interview, had some things to say concerning observations that will be interesting reading. Mr. Bush states that there are no hard times in the middle west, that in the states of Iowa, Illinois, Nebraska and Kansas money is plentiful at four and a half per cent, on real estate and plenty of money at the banks at six. Farmers cultivating land that is not as fertile as any in the Grande Ronde valley, are making fortunes out of cattle

and hogs and milk. "This," says Mr. Bush, "is largely due to the fact that people in those states are not as extravagant as the people in the western states. There is no lavish spending of money for things that are not necessary, and people husband their means. There are more automobiles in the city of La Grande than there are all along the route in the farming communities. People do not dress so stylishly as they do here, but have more in their banks."
 "Oregon is not getting the people it ought to by reason of its freak legislation. Single tax agitation is keeping thousands of thrifty farmers from coming out this way, and all of them are afraid of the constantly climbing taxes."
 On this trip Mr. Bush visited with his daughter, Mrs. C. C. Baker, of Tilden, Nebraska, with his sister, Mrs. Keoberlin, of Madison, Nebraska and with his mother-in-law, Mrs. E. Hobson, of Winnebago, Illinois. On his return trip he was ten days coming out from Fort Atkinson, Wisconsin, where the cattle were purchased.
