VALLEY GETS NEW LEAGUE

SIX CLUB AFFAIR TO BE RUN THROUGH SUMMER.

R. L. Lincoln President—Twice-around Schedule Planned.

Baseball moguls of Union county last night decided to expand the semi-pro and amateur league of this county to a six club affair, and commencing next Sunday, the first games of the permanent league season open, with La Grande at North Powder, Imbler at Elgin, Union at Cove. The following Sunday the teams play returns, and further than that there has been no regular schedule drafted. When the meeting was called, it was proposed that four clubs comprise the league, but the meeting resulted in Union and Cove being taken into the fold. The schedule will probably call

for twice around, closing August 2.

Dr. R. L. Lincoln of this city was named president of the league, and another meeting is to be held within a short time to perfect the schedule and other matters.

Those who attended the meeting held in the club last night were: Messrs. Witty of Imbler, Oswald of Elgin, Mercer of North Powder, Phillips of Union, Daniels of Cove, and C. C. McCormick and Hector Mc Innis of La Grande.

Inflielder Coming.

La Grande's infield which needs repairing, is to be given a decided healing plaster when Dan O'Brien, of Teko, Wash., reaches the city. Mr. O'Brien is due to arrive in La Grande tomorrow to make his future home here, and he is a well known ball player of amateur and semi-pro standing.

GEO. L. CLEAVER FOR CONGRESS
Both Democrats and Progressives Are Urged to Write in Name of "Dry" Candidate.
A movement to nominate Geo. L. Cleaver of Imbler for Congress in the second district on the Democratic and Progressive primary ballots has been launched by the temperance forces. The Anti-saloon League and the W. C. T. U., are the prime factors in the movement, and the temperance women in several places are well organized and active.
So far the Congressional field is open, with the exception of Mr. Sinton, regular Republican, and Mr. Cleaver just nominated by the Prohibitionists.
In this way the temperance people hope to concentrate the "dry" forces of Eastern Oregon since the other leading parties have no candidates seeking the nomination.
Geo. L. Cleaver was a candidate for the same office in 1912 and polled a large vote, without a campaign; and as he is a prominent churchman and temperance leader, indications are that he will attract the solid Democratic and Progressive "Dry" vote for the nomination.—Paid adv.
