

KABO
"The Live Model"
CORSET

See—This is a front lace corset, designed for an average figure. Is very low at top and long in the skirt. Is made of a fancy balise, finished at top with ribbon and lace trim. 19-inch front clasp. Has ventilated back with elastic at bottom of back section and has tongue underneath front lacing. Has three pairs of supporters. Sizes 20 to 32.

Price \$5.00

IF you have never worn a front-lace corset, you'd better try one; it may be just what you want.

You'll find a front-lace style of Kabo—The Live Model Corset—which will enable you to give it a fair test. Your figure will have just as fashionable lines; and it's a little easier to put on.
