## IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Back achy or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing his kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, when you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act normally. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

## "TWIN" PEDESTAL TABLES are the Aristocrats of the Dining Room

TWO PEDESTALS ALWAYS PERFECT

Father—"TWIN" you shall have!

Son—"TWIN"?

Father—Yes; that is the name of Pedestal Extension Tables having two complete pedestals. You know we have in our home a "single" pedestal table which when closed always "gaps" or stands open at the bottom, and when extended the locks, bolts, nuts and unfinished surfaces on the inside of the pedestal are exposed.

New Bride—I have never known that there was such a difference in tables, and I now see that the two complete pedestals overcome all the unsightly parts of a "single" pedestal.

Son—I have seen tables with drop-legs at the ends of the top, but I can now see that "TWIN" Pedestals besides being more artistic are also more serviceable and reliable. "TWIN" we will have!

Clerk—I am glad you see the advantages of "TWIN." They are the only tables made that are absolutely perfect, closed or extended. If any of your friends contemplate buying a table, refer them to—
