CANDIDATES GET INNING

INVITATION EXTENDED TO PARTY HEADS.

Chautauqua Arrangements Rapidly Develop Into Actual Form.

Invitations will be extended tomorrow to the gubernatorial candidates in Oregon to appear at the Grande Ronde chautauqua one afternoon. The directors at their mid-week meeting last evening decided to set aside one afternoon of the session to candidates seeking the governor's chair at the fall election. Answers are expected from the candidates in a few days, and it is hoped to be able to announce definitely within a week just what success will be attained in the effort.

Details for the chautauqua are fast rounding out. The program is well taken care of, and only in a few cases; principally afternoons, does it need patching up.

President Miller last evening announced the finance committee plans. The sale of season tickets begins next Monday and the finance committee will lay its plans Saturday night for that campaign.

Tent Reservations Due.

The directors will be able to lease tents this year, as was the rule last year, but in order to obtain sufficient tents for that purpose, reservations should be made now. C. J. Black is ready to reserve orders at very nominal rent but to have enough to go around, they should be spoken for at once.

Mrs. Vincent Palmer, a new member of the directors, was in attendance at the meeting last evening.

MUSICAL PROGRAM IS SET

JUNIOR Y. M. C. A. BOARD IS SPONSOR.

Prof. Armstrong is Directing Musical Feast for Y. M. C. A.

At its regular business meeting held in the Y. M. C. A. room last night, the Junior Board were delighted to learn that the musical entertainment which Prof. G. H. Armstrong has had in preparation for some time past for the benefit of the association, is now ready to be definitely announced.

Mr. Armstrong said that the program was not yet ready for publication, but outlined it sufficiently to warrant the assertion that the entertainment will be one of the very best that has ever been given in La Grande by local talent.

Among other attractive features, will be two selections by the famous L. D. S. Quartet; two numbers by Heacock's Orchestra, and the Treble Clef club will contribute a selection. There will be solos by such well-known singers as Mrs. A. L. Richardson, L. D. Howland, and Frank Bridges. A reading will be interspersed by Mrs. Bridges, also an organ solo by Prof. Armstrong. There will be other vocal and instrumental features to be announced later.

The entertainment will be given under the direction of Prof. Armstrong and the entire proceeds of the evening will be donated to the Y. M. C. A. furniture fund. Mr. Armstrong left it to the association to fix the price of admission, and while the board considered that the entertainment would be equal in merit to many of the attractions advertised at \$1, in order to secure the largest possible attendance, the entrance fee for adults was placed at 25 cents, children 10 cents. As the cause is worthy and the entertainment meritorious, the occasion is admitted to be deserving of a generous attendance.

The entertainment will be held in the Methodist church on the evening of May 28th.
