

APPLE SHOW SHOWS GROWTH

ORCHARD ACCOUNTING TO BE
SHOW FEATURE.

Marketing Also to Be Emphasized in
Spokane Apple Show.

Spokane, Wash., May 22.—Orchard accounting systems and by-product manufacturing receive special emphasis in the preliminary program of the Seventh National Apple Show and Fruit Products Congress, to be held in Spokane November 16 to 21, according to the Chairman, James S. Ramage, of the board of trustees.

Three distinct plans have been formulated for the purpose of establishing a practical, clear and accurate method of computing cost of producing apples and the net profit from a given orchard or number of trees. A 100-tree contest, in which each contestant will enter a quantity of the product and give a complete financial account of cost of production, is one of the plans approved by the board at a meeting this week. Another means of arriving at production cost and net profits will be taken through a single tree contest and similar lines. In addition, a competition will be held for the best set of orchard accounts giving the actual record of an orchard during the growing and marketing season of 1914.

At the conclusion of the board meeting Manager Gordon C. Corbaley announced that upwards of \$10,000 will be distributed by this year's apple show in gold and merchandise. The board declined to extend greatly the divisions of home-made by-products of having 60 separate contests for the best home-

made pies, dumplings, jellie, cider, vinegar, preserves, etc.

STOP CATARRH!

Unless properly treated this disease often leads to a serious or not fatal ailment. It is needless to allow catarrh to ruin your health—use Hyomei—it is certainly effective relief for catarrh ills. It's the direct-to-the-spot treatment. You breathe it—no stomach dosing. No household should be without Hyomei. It not only gives quick and lasting benefit in cases of catarrh but is one of the surest and most pleasant treatments for head colds, sniffles, or croup of children.

Hyomei is a combination of antiseptic oils—you breathe it—using a small inhaler. The air laden with health-restoring Hyomei soothes, heals and vitalizes the sore, raw and inflamed membrane of the breathing organs almost immediately. There is no other remedy that benefits so surely or so quickly. Money refunded by Newlin Drug Co., if you are not satisfied.

Do not be without Hyomei another day. Druggists everywhere sell it. Get the complete outfit—\$1.00 size—this contains the inhaler and bottle of liquid.

Child Cross? Feverish? Sick?

A cross, peevish, listless child, with coated tongue, pale, doesn't sleep; eats sometimes very little, then again ravenously; stomach sour; breath fetid; pains in stomach, with diarrhea; grinds teeth while asleep, and starts up with terror—all suggest a Worm Killer—something that expels worms, and almost every child has them. Kickapoo Worm Killer is needed. Get a box to-day. Start at once. You won't have to coax, as Kickapoo Worm Killer is a candy confection. Expels the worms, the cause of your child's trouble. 25c, at your druggist.
