ATHLETIC COUNCIL SHOWS A PROFIT FOR YEAR.

Student Body Activities Paid for Themselves During 1914.

Management of all high school student activities under one head, thus centralizing responsibility, has resulted in the marked success in La Grande this year. Yesterday afternoon the athletic council met to file its report for the year, and to have accounts audited. J. E. Reynolds, representing the school board has found the funds correctly accounted for, and Student Manager Gilbert Hunter can show a net profit of \$19.75 for the year. The association started on rockbed, with nothing to go on and the whole year's activity before it. Perhaps the greatest piece of economy in the whole year is shown in the football expenditures. Outside of the cost of bringing teams here for football, a total of only \$15.60 was spent during the season.

Basketball Receipts Big. Basketball brought some of the biggest receipts for the year. However, other activities helped swell the student body treasury. The J. W. Herlan lecture netted considerable, and the entertainment given by Miss Buchanan netted \$40.00. The total receipts for the year are \$400.00. Total expenses for football,

basketball and track team, \$381.15, leaving a fund on hand of \$19.75.

The management under Mr. Hunter has therefore brought the student body out of debt and left it at the school-year end with funds on hand. The council is made up of two faculty members — Superintendent Girdler and Principal Olsan—one school board member—J. E. Reynolds—and two students who are the manager and assistant manager, Mr. Hunter and Homer Leffel.

AN OLD RECIPE TO DARKEN HAIR

Common garden Sage and Sulphur makes streaked, faded or gray hair dark and glossy at once.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Hair Remedy." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

"NATIONAL HERO SERIES" NO. 2

GARIBALDI—ITALIA'S GREAT PATRIOT

IN the cause of Personal and National Liberty this modern Rienzi of sunny Italy would have gladly laid down his life. It inspired him to deeds of immortal grandeur, of superb valor and of boundless suffering. Garibaldi would not have legislative tyranny of any kind enter into his own private life any more than will our millions of liberty-loving Italian citizens. His flaming soul scorned any legislation which would prohibit ALL because ONE man out of thousands imbibes in gluttonous quantities. He knew that the light wines of Italy and the barley brews of Germany are beneficial to humanity.

Upon an old Germanic basis 57 years ago Anheuser-Busch, brewers of Budweiser, established their brand. The Constitution of the United States is the sole authority upon which they launched their business in America. Every day of these 57 years has been devoted to the brewing of an honest Barley-malt and Saazer Hop brew—the kind that spells Temperance throughout the world. Seven thousand, five hundred people are daily required to keep pace with the public demand for Budweiser. Its sales exceed any other beer by millions of bottles.
