ELGIN SURE OF A PROGRAM

BUSINESSMEN SUBSCRIBED LIBERALLY TO FUND.

Few Hours' Work Gains Enough Money to Hold Big Event.

Elgin, May 25.—It required less than six hours for local committees to raise enough funds here to insure a big Fourth of July celebration. More money is said to be waiting for the asking. In regard to the coming observance of the national day, the Elgin Recorder goes on to say: Yes, Elgin will celebrate. And this year the annual big event will be observed in a manner never before equalled in this part of the country, according to the talk of the business men who are taking an interest in the matter. They want everybody in Union county to take notice and come to this city and have the time of their lives.

The matter was definitely decided last Monday night, when a number of the citizens met with the band and talked it over. Everyone present was for it unanimously, but the members of the band did not desire to take the whole matter on their shoulders, but were anxious to start the ball rolling. The first matter and a committee consisting of L. A. Stoop, C. S. Fine and C. E. Mays was appointed to make a canvas of the business men of the city and see how much money could be raised.

The Fourth comes on Saturday this

year and the length of the celebration has not been decided upon, and it may last two or three days. This will depend largely on how much money is raised. Everyone would rather see a lot of fun one day than to string it out, unless both days are live ones.

The final arrangements and committees was appointed at the meeting of the citizens with the band Thursday.

A RELIABLE AND SAFE MEDICINE FOR COUGH AND COLDS. FOLEY'S HONEY AND TAR COMPOUND.
The makers of this great medicine want every family, and every individual, who is subject to a cough or cold, to know that Foley's Honey and Tar Compound is a superior high grade medicine, containing only pure healing, demulcent and remedial agents, and that is why more bottles of it are sold today than of any other similar preparation. We want you to use Foley's Honey and Tar Compound in preference to any other cough medicine, because it is not only the best you can buy but it is also the cheapest; for it relieves distress so promptly and benefits so quickly that a less amount is needed than of any other cough medicine, and the last dose is as good as the first. It does not contain any opiates, that only stifle a cough, but it soothes and heals inflamed surfaces. Try it for cough, colds, croup, whooping cough, bronchial cough, asthmatic cough, hoarseness and tickling throats. In 25c, 50c and \$1.00 bottles everywhere. For sale by Hill's Drug Store.

DROWNED IN YARROW.
"Willy's rare, and Willy's fair,
And Willy's wondrous bonny,
And Willy heght to marry me
Gin e'er he married ouy."
"Yestreen I made my bed fu' braid;
This night I'll make it narrow,
For a' the livelang winter night
I lie twined of my marrow."
"Ob, came you by you water side?
Pou'd you the rose or lily?
Or came you by you meadow green?
Or saw you my sweet Willy?"
She sought him east, she sought him west,
She sought him braid and narrow;
Syne in the cleaving of a craig
She found him drowned in Yarrow.

PHILOSOPHICAL.
To be in too great a hurry to discharge an obligation is itself a kind of ingratitude.—La Rochefoucauld.
To be an enthusiast is to be the worthiest of affection, the noblest and the best that a mortal can be.—Wieland.

There are shades in all good pictures, but there are lights, too, if we choose to contemplate them.—Dickens.
There are single thoughts that contain the essence of a whole volume, single sentences that have the beauties of a large work.—Joubert.
Philosophy goes no further than probabilities, and in every assertion keeps a doubt in reserve.—Froude.

RACE PREJUDICE.
If one race assumes the right to appropriate all the wealth, why should not the other races feel ill used and protest? If the yellow races are oppressed by the white races and have to revolt to avoid congestion and maintain existence, whose fault is it but the aggressor's? If the white races truly love peace and wish to deserve the name of Christian nations, they will practice what they preach and will soon restore to us the rights so long withheld. They will rise to the generosity of welcoming our citizens among them as heartily as we do theirs among us. We appeal to the white races to put aside their race prejudice and meet us on equal terms in brotherly co-operation.—Professor Nogai.

EPITAPH ON ELIZABETH.
Wouldst thou heare what man can say
In a little? Reader, stay!
Underneath this stone doth lye
As much beauty as could dye,
Which in life did harbor give
To more vertue than doth live.
If at all she had a fault,
Leave it buried in this vault.
One name was Elizabeth;
Th' other, let it sleep with death:
Fitter, where it dyed to tell,
Than that it lived at all. Fare-
well!
—Ben Jonson.

HAPPINESS.
Real happiness is cheap enough, yet how dearly we pay for its counterfeit.—H. Ballou.
One cannot be fully happy until after his sixtieth year.—Bonstetten.
The greatest happiness comes from the greatest activity.—Bovee.
To believe that happiness exists in a feverish ambition rather than in a tender and simple affection is to believe that the immensity of the sea will more readily quench thirst than the pure limpid water of a humble fountain.—Emilio Castelar.
The rays of happiness, like those of light, are colorless when unbroken.—Longfellow.
