BIG CLASS AT UNION SCHOOL

GRADUATION SERVICES APPROPRIATE IN DETAIL.

Largest Class in Year Is Graduated With Fitting Ceremonies.

Union, May, 27.—(Special)—It was estimated that over 400 people attended the class day exercises at the high school auditorium Wednesday evening. A large number were unable to gain admittance. The exercises were very good all the way through. The Witch of Endor in the person of Elinor Davis gave a glimpse into the future of the different members of the class. The Witch robed in her ghostly dress and with her big kettle hung over the fire and which she slowly stirred as she called each member before the audience and foretold their future careers. The fortunetelling evoked much merriment and applause from the audience.

Commencement exercises were held at the M. E. church Friday evening. Professor Horner, of O. A. C. delivered the address. The professor's talk was largely reminiscent as he had the honor to organize the first high school in Union thirty years ago. Boys that were in his school at that time had children in the 1914 graduation class. The address was enjoyed by all who heard it. C. J. Forsstrom presented the graduates with their diplomas with a little talk containing good advice for them as they go out to meet the world. The graduating class contained fifteen members which is said to be the largest class that Union has held since 1890. Union is proud of her graduates. A large number are planning on a college course.

Margaret Callihan has been sick but is reported better at present. Born to Mr. and Mrs. S. E. Miller, on May 20th a son.

Born on May 19th to Mr. and Mrs. Fred Wilson, a son.

A. N. Gardener, who came down the first of last week for a short visit with friends and spent a few days in Baker, returned to his home in Portland on Saturday. He expects to get back to attend the stock show.

The stock show boosters report a warm welcome from every place visited by them on their trip to Baker and other points on last Tuesday. A greater interest than ever is being manifested and a large crowd will be present. Some of the boosters had the misfortune to disable one of the cars and had to return by the railway.

"Uncle" Bill Hutchinson has so far recovered from his late sickness that he has been down town and is getting around as well as ever.

Mrs. Willis Phillips, who was operated on at the La Grande hospital is reported as getting around as well as ever.

The ladies of the Presbyterian missionary society met at the home of Mrs. Law last Friday afternoon. Mrs. Law and Mrs. Mary Hutchinson being hostess for that day. Fifteen ladies were present and after a short program was given, refreshments were served. The society is quite enthusiastic in the work and the meetings are well attended.

Child Cross? Feverish? Sick? A cross, peevish, listless child, with coated tongue, pale, doesn't sleep; eats sometimes very little, then again ravenously; stomach sour; breath fetid; pains in stomach, with diarrhea; grinds teeth while asleep, and starts up with terror—all suggest a Worm Killer—something that expels worms, and almost every child has them. Kickapoo Worm Killer is needed. Get a box to-day. Start at once. You won't have to coax, as Kickapoo Worm Killer is a candy confection. Expels the worms, the cause of your child's trouble. 25c. at your druggist.
