A STUBORN COUGH IS WEARING AND RISKY.

Your system is run down and you have but a low degree of vital resistance when a cough "hangs on" as often happens in the spring of the year. Chronic diseased conditions, of the nose and throat result, and a good many cases of lung trouble are directly due to neglected colds. Foley's Honey and Tar is thoroughly effective in cases of stubborn racking coughs, bronchial coughs, hoarseness, tickling throat, bronchial asthma and the chronic coughs of elderly people. It is very healing and soothing to the inflamed mucus membranes, and should always be in the household where there are children, as it is the best and safest thing you can give your child for croup or whooping cough. Foley's Honey and Tar contains no opiates, and that alone recommends it to careful parents. And its superior healing and soothing qualities, and its quick beneficial action, makes it the best medicine for coughs and colds that you can buy. In 25c-50c and \$1.00 bottles everywhere. Do not take any but Foley's Honey and Tar Compound. For Sale by Hill's Drug Store.—Adv.

Artisans Notice.
Dr. Eshelman will be in attendance at the regular meeting of the United Artisans on Monday, June 1st, and will examine all candidates free of charge. Election of officers will also be held and a full attendance of members is desired.—Secretary.
