Build a House Which will Sell Readily

An attractive house will command a better price by several hundred dollars than the common kind, and it costs no more. Some very poor houses are built of the best lumber.

Good material does not make a good building unless understandingly used. A good builders price is very little in excess of the poorest and the satisfaction of having an attractive, convenient and well constructed house is well worth the difference.

In recognition of their services in the public schools of Summerville, the school directors have reappointed Professor Thompson at a very substantial salary increase and his assistant, Mrs. Anna Conard, at an increase of \$20 per month. Summerville is justly proud of its schools and the excellent work done by these able teachers.

Mrs. Phoebe M. Brock, of Lents, Ore., a suburb to Portland, is critically ill, after three strokes of paralysis. Mrs. Brock frequently accompanied her son, Wilbur F. Brock, on his visits to The Grande Ronde and Wallowa county and is known to many people here in La Grande. It was at Mrs. Brock's home that the 12 young ladies, who won trips in the La Grande Evening Observer contest in 1911 entertained their friends, when they visited Portland. Mrs. Brock accompanied them on their trip to Gerhart Park and proved a charming chaperone. Mr. Brock owns Brock Meadows on the Looking Glass, in the north end of Union county.

The barn standing on the property and which has become of no use to Mr. West, has likewise been sold to Mr. Grandy and is ready to be moved way. Jack Childs is doing the moving.
