**MISS INGRAM IS SHOW QUEEN**

LIVELY CONTEST ENDS WITH CONGRATULATIONS.

Losers Will Act as Maids of Honor to Queen.

Union, June 2.—(Special)—Miss Ingram won out in the contest for stock show queen and was so declared by the committee. The contest was a hard fought one and the other four young ladies will be maids of honor to the queen, which is only a fitting tribute to their hard work. The queen's float is being trimmed and will differ from those of other years, being a trifle more elaborate. Miss Ingram's friends are congratulating her on her success.

Union has won out in two straight baseball games with Cove.

A large crowd participated in the Memorial exercises in Union on Memorial day. Rev. Martin delivered the address at Yorgason Hall where the line of march was formed by the G. A. R., Relief Corps and other lodges that took part with the little children. All went to the cemetery where graves were covered with beautiful flowers and where the exercises were concluded. The day was warm for the time of year and several of the veterans suffered from the long walk. The city will see to it that the veterans have autos to take them around by another year as they are getting along in years and the long walk is too much for them.

Charles Law rode over to Medical Springs on Saturday to spend a few days with his friend Harley Hursh, who is making his home at that place with his brother-in-law, George South, who operates the store at that place. Harley is getting to be quite a merchant.

The new tennis court on the Hill property is being used most of the time. The young men put lots of work on it and are now enjoying it as they should.

Tony Smith has returned from his eastern trip and is glad to get back to Oregon once more. He saw lots of good places but none so good as Grande Ronde.

Friday will be La Grande day at the stock show and we hope that all the La Grande people will make it a point to be present as we are going to have one of the best days for that day.

The second baseball team of North Powder will play the second team of Union on the Union diamond. It would be hard to predict victory for either team, as they are well matched in size and strength.
