The Eagles announce their Annual Reunion and Carnival to be held July 3-4-5th at Eagle Park south of Proebstel Bridge everybody welcome.

LEAGUE WILL GATHER HERE

EASTERN OREGON TO SEND DELEGATES JUNE 27.

Local Chapter Will Be Host to Big Gathering Shortly.

A coming event of more than ordinary proportions to La Grande is the convention of the Epworth League on June 27-30. The eastern Oregon district, comprising six counties will be represented by delegates for that occasion and a complete program of speeches and exercises has already been printed, setting forth the subjects for review and the speaker who will discuss them.

W. C. Wattenberg, of this city, will open the convention proceedings. His subject is "Hello," to which George Cleaver, of Imbler, will respond by an address "Hello Yourself." These subjects are scheduled for Saturday evening, June 27th, and will be heard at the city park where the delegates will camp if possible.

Professor Mathews, of Willamette University, is on the program for Sunday afternoon, June 28th. His subject has not been announced, but it is certain he will treat a vital topic, and one that will be apropos to the ideals and purposes of the convention and the organization.

President Homan of Willamette University is likewise scheduled to attend and address the convention. His speech at the Teachers convention last year will be remembered as one of the most masterly efforts in oratory heard in this city in many a day. For diction and breadth of thought it was easily the product of a most scholarly man and the effect it produced showed that he had given profound attention to the economic and religious needs of the present age.

Bible study is to be interspersed with practical talks to young men and women in all walks of life. Recreation and pleasure are provided for in an auto trip through the city and surrounding country, trips to the park and luncheons and picnics.

Each Chapter in the district is entitled to send to the convention four delegates for the first fifty members, or fraction thereof, aside from the pastor, who is an ex-officio delegate and one member for each additional fifteen members, or major fraction thereof.

This representation according to the constitution of the League holds good only as to voting. Hence the La Grande chapter extends a hearty invitation to all Epworthians to attend this convention, and lays particular emphasis on the invitation to ministers and their wives.

A registration fee of 25 cents will be charged, to partially defray the expenses of the convention. This

Says I to myself, Says I The United Store is the Place to buy

Why—Because they carry a first grade merchandise at the lowest prices—Their prices are always below these sale prices and I can even buy them cheaper than at these mail-order houses. I feel at home when I go in there because I can see what I want, and am always confident of getting new goods because they are so busy selling it to others that it won't have time to get old styled—shelf worn. Come and see if this fellow isn't right.

YOUNG FISH TO WALLOWA.

Absence of Many Autos Makes Transfer Imperative.

La Grande sportsmen have requested the fish and game department to transfer the car of Eastern Brook trout, destined originally for this place, to Wallowa county. This was done for the reason that the absence of many autos today necessary for the distribution of the fish in the various streams about the valley, would seriously handicap their distribution and perhaps cause many of them to die.

The Union stock show has drawn many autos from the city this morning and auto conveyance is requisite to a speedy distribution for the life of the fish. The car has not yet arrived, nor is there any certainty that it is enroute; but if it does arrive, it will be billed to Wallowa county for the reason mentioned.

La Grande is to get her original quota just the same, the shipment being delayed until some day in the near future when sufficient men with machines can be secured to distribute them quickly.
