MANAGER'S WEEKLY REPORT SHOWS WORK OF DEPARTMENTS

General Manager's report for week ending June 6th follows:

To the Commission, Gentlemen:—I beg to report that the recorder collected \$25.00 fines, \$1.00 pound fee, 75 cents for repairing walk. He drew warrants for \$2,382.43 for salaries and labor certificates, \$419.17 on Improvement District interest fund as interest on improvement bonds, \$149.15 on library fund. Receiving \$1.50 for three building permits, \$6.00 dog tax. Paid out 85 cents manuscript backs and 60 cents for paste. Issued moving picture license as treasurer's receipt, \$25.00, 3 tax licenses, \$11.65, one dray license \$10.00.

The treasurer collected \$1,465.24 street assessments and interests, \$46.65 for licenses, \$837.40 for water rents. Received \$2,072.76 tax turn-over from county treasurer. Redeemed \$11,550.00 improvement bonds and paid \$615.00 interest on improvement bonds, also paid \$2,488.41 for warrants and interest thereon.

The engineer set grades and lines for cement walk for two lots on W Ave. and board walk on Depot, between T and Jackson ave., surveyed and made estimate on Second and Fourth Streets for cement walks. Also completed map of city.

The water superintendent spent \$20.86 for taps, \$8.66 repairs and cleaning, \$19.50 on East Penn. ave.,

and \$7.62 on Beaver Creek road.

The street superintendent spent \$5.75 for gravel and \$4.40 repairing a plow, \$68.75 for repairs and construction work taking scrapings off E. Adams and Greenwood. One new cross walk and laid cement blocks on M ave. cross walk. Fixed the water flow across Grandy's property and cleaned up the tools and tool house, spent \$72.25 on regular cleaning and flushing.

The chief of police arrested 4, one is serving time and 3 are in jail. Fines \$25.00, Pound fees \$1.00. Two arc lights were reported out the 6th. The chief reports laxness on the part of saloon keepers in cleaning up their places and loafing therein Sundays. This is given rise to criticism. The chief also reports a good deal of roller skating on down town walks. The police force is prepared to enforce the no muzzling ordinance which requires muzzling after June 15.

The grass and weed cutting ordinance requires these cut during July. It is even now apparent that this must be enforced. The street superintendent has cut the growth around quite a few hydrants. Several owners were ordered to connect sewers and clean up, if they don't we will ask that the commission authorize action. Respectfully submitted.—F. J. LAFKY, General Manager.

HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray! Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.
