2,000 PEOPLE ENJOYED PARK

LA GRANDE'S NATURE SPOT ATTRACTS VISITORS.

When Old Sol's Rays Shot Downward Shade of Park Sought.

It was estimated that fully 2,000 people took advantage of Sunday afternoon and visited the city park. When the heat of the sun became noticeable yesterday a long line of people could be seen marching to the city park and there they joined a larger crowd who had preceded them during the day.

Old men and old ladies, young men and their sweethearts and hundreds of little children all enjoyed the afternoon in the shade of the trees.

Many appropriate comments were heard regarding the ladies of La Grande who, by their far sightedness, were able to provide such a place for the general public.

By using one bottle of it I was entirely cured." For sale by all dealers.

Dam Out, Joseph Happy.
 (Joseph Herald.)
 At last ! ! ! The Minam dam has at last been blown out, and everybody in the state ought to feel glad of it—for the suspense surely has been nerve-tearing. For many years every few days the report was sent abroad that this dam was to be blown out, but it was put off until the public became so worn-out with the joke that Game Warden Jackson finally came to their rescue a few days ago by blowing the "dam-thing" into smithereens. Now the fish will perhaps come up in such numbers that it will force the water to run upstream. At least we hope so.
