WATERMELON PRICES SINK

SMALLER ONES GO AT 85 CENTS TODAY.

Fine Line of Vegetables and Fruits for Saturday Shoppers.

Watermelons are becoming more popular since the price has had a tendency of dropping some. A small melon can now be had for 85 cents and the larger ones command \$1.00. At the figure quoted, trading in watermelons is not brisk however. Even the man who sells them out by the piece has to carve sparingly to get out.

A full, choice line of vegetables are coming in tomorrow, but it will be the early shopper that gets the choicest morsels.
