## CHURCH AFFAIRS CONDUCTED AT CITY PARK.

### MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended by pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this La Grande citizen:

Mrs. Isa Triplett, 1307 Jackson ave., La Grande, Ore., says: "About a year ago I had a spell of kidney trouble. It started with pain in my back, together with irregular action of my kidneys. My back got lame and sore, and for several weeks it was hard for me to get around. I had heard about Doan's Kidney Pills and began using them. They gave me good relief from the first and soon rid me of the trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Triplett had. Foster-Milburn Co., Props., Buffalo, N. Y.

## A New Method of Baking Cakes

Mrs. Nevada Briggs, the baking expert, says:

"There is just one way to make your cakes rise high and evenly—give them time to rise before a crust is formed and the batter is stiffened by cooking."

"If using a gas, gasoline or oil stove, light your oven when you put the cake in and keep the flame low until the cake has doubled in bulk; then increase the heat until it is evenly browned and will respond to the pressure of the finger. If using a coal or wood range, leave the oven door open until the cake is in; then turn on the drafts and by the time the oven is at baking temperature, the cake will have raised sufficiently."

For rich, moist, feathery cakes Mrs. Briggs always recommends

## KG BAKING POWDER

It is double acting and sustains the raise. You can open and close the oven door, turn the tin around in the oven or do anything else necessary, without any danger of making the cake fall.

Try your favorite cake next time with K C Baking Powder and see how much higher it will rise. Make it just as you always do, with the same quantity of baking powder. While K C is less expensive than the old fashioned baking powders, it has even greater leavening strength and it is guaranteed pure and healthful.
