"Uncle Billy" Bentley Dead.

Baker, June 20.—News of the death of W. H. Bentley at the Odd Fellows' home in Portland Thursday was received in Baker yesterday and met with many expressions of regret on the part of old-time acquaintances, for he was one of Baker county's oldest and respected pioneers. He was 82 years of age at the time of his death and had been in the home about three years, old age and infirmities making it necessary for him to become an inmate.

"Uncle Billy", as he was familiarly known, came to Baker county 46 years ago and took up his residence at Wingville and was one of the prime movers in the institution of Wingville Lodge, I. O. O. F., in which he retained his membership to the time of his death. He was a member of Eleazer Encampment of Baker Lodge No. 7, and on the roll of membership of the Rebekah lodge of this city. For several years he was police judge of Baker. His only relative is a niece residing at Central, Wash.

The funeral will be held tomorrow (Sunday) afternoon at 2 o'clock at the Odd Fellows' hall in this city. The services will be conducted by Eleazer Encampment and all members and friends are asked to be present.

JURY OUT FIVE MINUTES.

William Hess Acquitted on Charge of Stealing Hides.

Less than five minutes were consumed in reaching a verdict in the William Hess case. The evidence was submitted to the jury without argument yesterday afternoon and a verdict of acquittal was returned with little delay. Mr. Hess who lives near Elgin was accused of stealing some hides. Attorney R. J. Greene represented the defendant.

The case of Elizabeth Ryder against the city of La Grande in a damage suit for \$15,000, is set down for Tuesday.

No cases are in issue today but next week will return to a period of activity again.

GIRL THREE YEARS OLD SHOT.

Bullet from Adjoining Room Tears off Portion of Her Head.

Beaverton, Ore., June 20.—Odella Simpson, aged three, was killed late yesterday when a rifle bullet from an adjoining room tore away the back of her head while she was playing at the home of her grandfather, Robert Simpson. It is believed Simpson's nine-year-old daughter had been playing with the rifle and that it accidentally discharged. The girl's father lives at Hillsboro.

Huntington People Worried.

Baker, June 20.—A Huntington report is current that the O.-W. division is to be moved. It is said this time that Ontario is to be made the new railroad division point. That there may be some such intention in the minds of railroad officials is supported by the fact that all improvements which were under way by the railroad company at Huntington have been stopped. It is felt that no definite action may be expected until the results of the meeting of the directors of the U. P. company are announced. In the meantime property owners at Huntington are on the anxious seat.
