DR. TAPE HEAD OF PHYSICIANS

HOT LAKE TO BE NEXT MEETING PLACE.

Clinical Phase of Pendleton Meeting Is Much Appreciated.

Dr. G. W. Tape of Hot Lake was elected president of the Eastern Oregon Medical Society for the next year at the concluding session of the 1914 meeting in Pendleton. Hot Lake was chosen as the meeting place for 1915.

The three other positions went to Pendleton physicians, Dr. I. U. Temple being chosen first vice-president, Dr. N. D. Reber, second vice-president and Dr. T. M. Henderson retained as secretary-treasurer.

The meeting at Pendleton was marked by the largest attendance in the history of the organization and the programs were intensely interesting. The clinical lectures in the afternoon by Supt. W. D. McNary and Dr. A. E. Tamiesie of the Eastern Oregon state hospital, were features that the assembled physicians considered of much importance as educational factors.

NOTICE OF PROPOSED STREET IMPROVEMENT.

To Whom It May Concern, you are hereby notified that the Committee on Estimates appointed by the Commission of the City of La Grande, Oregon, to make an examination of the property, upon which assessments are to be levied to pay the costs and expenses of the street improvement hereinafter described, as to the valuation and extent, if any of the benefits to be derived by said property by reason of said improvement, have made their report in writing to said commission, which report has been received by said Commission, and is on file in the offices of the Recorder of said City, and is open for your inspection. That it is the intention of said Commission to levy a special assessment against all the property hereinafter described for the purpose of paying the costs and expenses of improving Fourth Street, on both the east and west sides thereof, between the south curb line of Spring Avenue to the north curb line of J. Avenue, by constructing and placing thereon, on each side of said street where same are not now in place, five-foot standard concrete sidewalks with concrete aprons at all intersections, according to the plans and specifications therefore heretofore adopted by said Commission and on file in the office of the Recorder of said City.

That the real property included in and the boundaries of the district benefitted and affected by said improvement are as follows: Beginning at a point on the center line of Spring Avenue which is west 100 feet from the north property line of Fourth Street; the boundary line runs thence south 100 feet from parallel with the west property line of Fourth Street to the center line of J. Avenue, thence east along the center line of J. Avenue to a point 70 feet east of the west property line of Fourth Street, thence north 70 feet from and parallel with the east property line of Fourth Street to the center line of Spring Avenue; thence west along the center line of Spring to the place of beginning; all in the City of La Grande, Oregon, and the estimated cost of said improvement is \$1,714.79.

You will further take notice that said City Commission will meet at the Commission Chamber in the City Building of said City on the 8th day of July, 1914, at 7:30 o'clock P. M., of said day, to consider making said proposed levy and will then grant a hearing to any and all persons feeling aggrieved against, or on account of, said proposed assessments.

Dated at La Grande, Oregon, this 18th day of June, 1914.
