ABUNDANT FLUFFY HAIR IS IMPOSSIBLE IF YOU HAVE DANDRUFF

How often we hear a beautiful woman referred to as having a regal head!

Denude that head of its hair and instead of a queenly, royal bearing we have a fright. The hair makes all the difference. To have that glorious abundance of radiant hair which always crowns "a regal head," one should use Newbro's Herpicide.

Herpicide represents the last word in scientific hair culture. It destroys the dandruff, checks falling hair and

corrects generally, diseases of the hair and scalp.

The positive results and its delicate but refreshing odor recommends Newbro's Herpicide to ladies of refinement everywhere.

Newbro's Herpicide in 50c and \$1.00 sizes is sold and guaranteed to do all that is claimed. If you are not satisfied your money will be refunded.
