## EUROPE IS ARMED CAMP

EVANGELIST SAYS BIBLE FORETELLS PRESENT EVENTS.

Reads Prophecies Which Describe Present Day War Preparations.

Evangelist F. D. Wagner, who is holding meetings in his tent on the corner of Seventh and O streets, is silencing all doubters to his claims that the Bible prophets have beforehand spoken in plain terms foretelling the very things which are taking place in our day that so peculiarly characterize our time.

Sunday night he read prophecies in Jeremiah, Joel, and the Revelation which graphically describe the present world wide preparation for war which he says means Armageddon. Mr. Wagner said in speaking of the fulfillment of war prophecies that the increased size and speed of our battle ships, the number of guns, their increased accuracy, range, and rapidity of fire, result in an increased efficiency in the world navies of over 1500 percent in the last twelve years.

He declared that all Europe is an armed camp and that the spirit of war is rife everywhere. And further that every automobile and boat is licensed to operate only on condition that it enters the government service in case of war.

In speaking of the aeroplane and dirigible balloon as a factor in war he said, "France and Germany each have nearly one thousand air craft in their war department, and that their dirigible balloons are called the dreadnoughts of the air. So terrible in their effectiveness are they that any city against which a dozen of them might appear would be compelled to surrender or suffer destruction."

The next meeting will be Tuesday evening when the subject will be: "The wonders and beauties of the kingdom of heaven; and the special the redeemed from the earth through privileges and exalted position of out eternity."

The subject for Wednesday evening, "After Death What? Does the Soul Depart and go to its reward at Death

or does it Sleep in the Grace? What is the Soul Etc?"

Thursday evening: "Angels! What are They? and What is the Nature of Their Ministry?"
