### PEACE WANTED BY LEAGUERS

**RESOLUTIONS ARE ADOPTED UP-HOLDING PEACE.**  
Speakers and Citizens of La Grande Lauded for Hospitality.  
Before adjourning last evening to meet again a year hence at Union, the La Grande district convention of the Epworth league drafted and adopted a set of resolutions, which follow.  
La Grande District Epworth League Convention, June 30, 1914.  
Whereas, The Hague Peace conference has been organized for the purpose of promoting world-wide peace, and,  
Whereas, we believe that world-wide peace is in strict accordance with the wishes of God, and for the welfare of His human family,  
Therefore, Be It Resolved, that we do all in our power to promote the cause of peace, and give our support to The Hague conference.  
We most emphatically wish to say "Thank You" and "Much Obligated;"  
To our district officers for their splendid perfection of this convention;  
To the people of La Grande for not only the royal way in which we have been given the necessities of life, but also for the pleasures going along with these necessities; and, too, for being permitted to hold this convention in the fine new church which they have so lately built;  
To the choir, special singers, and various organists and pianists who have been so cheerful in contributing to the life and success of the convention;  
To the La Grande press for their kindness and large allowance of space in the paper for convention news and data;  
To the pastor, Dr. E. B. Fyke of La Grande, for his hearty co-operation, encouragement and suggestions;  
To Rev. Edwards of Baker, for his fine sermon delivered to us last Sunday morning;  
To Prof. Matthews of Willamette University, for his interesting address to us last Sunday evening;  
To Rev. Martin of Union, for his pleasant, helpful talk today;  
To God, who we feel has been our leader in this convention, for the splendid outlook for great work in this district for the year 1914-15.

**Are You Going to Attend the Grande Ronde Chautauqua**  
**JULY 3 to 12**  
From the first coming of the white man, and even long before, Grande Ronde Valley has been famous for its beauty, location, and riches. Today it is known to all who have seen it and thousands of others as the Garden Spot of the Inland Empire. La Grande is recognized as the hub city of Eastern Oregon. All experts say Grande Ronde Valley is the largest, richest body of land in the west.  
Due to years of healthful development, La Grande and Union county have earned a well merited reputation of being the most prosperous city and county in Oregon. Due to its favorable location La Grande has prospered by help of the largest payroll in the state outside of Portland; and due to its enviable soil and climate Grande Ronde Valley has prospered by reason of the most diversified yield of any county in the West. As La Grande has grown it has provided market facilities for the enormous production of the Grande Ronde Valley; and the valley in turn has cheaply furnished the city with the necessities of life. And in addition the hills and meadows of Union county surrounding the great valley yield cattle, and horses, and timber, and gold and power. This community has long been known as a city where business is always good, where citizens are seldom out of employment, where homes and farms lands are reasonable, and where crops are certain. And the people of this section are wide awake, progressive, developers.  
But of late years a new fame has come to this favored locality. Added to the thrift of the people has grown the desire for culture. During the past few years La Grande has built some splendid churches, a \$100,000.00 high school and three fine modern grade schools, a large public library; and a Y. M. C. A. is now in course of construction.  
The women of La Grande have provided the city with one of nature's grandest beauty spots as a natural park, and by their gift incidentally provided an ideal home for the Grand Ronde Chautauqua assembly that is doing its share to bring La Grande forward as the educational and cultural center of Eastern Oregon.  
We have many choice resident properties in and about La Grande at prices and terms to suit everybody. Call and see us.

Whereas, The Hobson Bill, providing for the submitting of an amendment to the constitution of the United States, for the prohibition of the manufacture, sale, and importation of intoxicating liquors in the United States, is to be presented to the Congress of the United States, and  
Whereas, we believe that the manufacture, sale, and importation of intoxicating liquors is opposed to the life, liberty and the happiness of our people and means ultimate ruin to our nation,  
Therefore, Be It Resolved, that we urge our Representatives in Congress to support the bill, and pledge them that they are expressing the wishes of the best class of citizens of our own great state.  
Be It Also Resolved that a copy of these resolutions be sent to our Representatives in Congress; that they be placed upon our minutes.  
Further, Be It Resolved, that we urge the churches in our district to take such action upon the subject as shall make our Representatives know their wishes in the matter.  
Respectfully submitted,  
Committee on resolutions,  
Nels J. Hansen, Chairman,  
Agnes Ellis,  
Marvel Cleaver,  
Letitia Thompson,  
Leta Kiddle.
