SO DECEPTIVE.

Many La Grande People Fail to Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing. Learn the cause—then cure it. Possibly it's weak kidneys. That's why Doan's Kidney Pills are so effective. We present the following case as

proof: Mrs. S. E. Wall, Union, Ore., says: "My kidneys got so weak that my system seemed to be running down. I had great confidence in Doan's Kidney Pills, and after using them for a while, I was cured. Doan's Kidney Pills have benefited me several times since, when my kidneys have given out. I am in the best of health now, and give Doan's Kidney Pills the credit."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wall had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

Prompt Action Will Stop Your Cough

When you first catch a Cold (often indicated by a sneeze or cough), break it up at once. The idea that "It does not matter" often leads to serious complications. The remedy which immediately and easily penetrates the lining of the throat is the kind demanded. Dr. King's New Discovery soothes the irritation, loosens the phlegm. You feel better at once. "It seemed to reach the very spot at my Cough" is one of many honest testimonials. 50c at your Druggist.

Home Land Cheap

PALMER

Palmer Lands are located about 20 miles from La Grande and 10 miles from Elgin. Palmer Junction, where there is a general merchandise store, postoffice, station on the O. W. R. & N. etc., is from one to four miles of any part of

CUT

these lands. These lands have been stumped for several years and the cost of clearing is low compared with most logged off lands. The brush and slashings have largely been burned and the white pine stumps are not difficult to

OVER

remove. There are many small meadows already cleared. The country lies fairly level with considerable rolling hills. The soil is a rich deep pine ash. This is a natural hay and stock country, while grain, vegetables and fruit have

LANDS

been raised with excellent results. This is a dry farming country, well covered with living creeks and springs; the annual rainfall being about 30 inches. If at all likely to be interested investigate further. The price of these lands is only \$15.00 per acre, \$1.50 down and the balance payable in 9 annual payments of the same amount; interest at 6 per cent. We will gladly show you photographs and explain further in detail. If interested we will take you to look the land over for yourself.
