

UNIVERSITY SINGERS WILL BE FETED BY LA GRANDE PEOPLE

U. OF O. QUARTET WHICH IS FEATURE OF COLLEGE CONCERT.

Socially and musically, La Grande looks forward with much interest to the coming of the University of Oregon Glee club tomorrow night at Sherry's theatre. The seat sale is now under way at the Red Cross. While the students are in the city they are to be liberally entertained as feted by Eugene students who are home for the holidays, and by alumni in La Grande.

Under the strict guidance of Director Ralph Lyman, head of the music department of the university, the club has been perfected and is far better than has ever been staged before.

Albert Gillette, the boy Reebo of Eugene, who pleased the audience so much last year, will appear again in solo work and also in the quartet.

The personnel of the quartet is Henry Heidenreich, a local boy, also president of the club, Ralph Lyman, director, Albert Gillette, and Paul Spragus, a former Grinnell University star. This quartette is equal to any on the Lyceum or Chatauqua circuits.

Mr. L. A. Apperson the musical wizard, will again render some Xylo-

phone selections of rare quality. Perhaps the most pleasing of all features is the skit in which Merlin Batley, a former La Grande boy and Bert Girard of Pendleton, appear. The La Grande people will remember how pleasing these boys were last year and it is to be assured that they are doubly as good this year.

The program is as follows:

PART ONE
Tenor Solo, "Songs of Araby," Clay Paul Spragus
Baritone Solo, "Song of the Sword," (From the opera "Tofano") Clough-Leighter
William Vawter Quartet, "Beam from Yonder Star," Buck-Spragus, Lyman, Gillette and Heidenreich

THE FROG RACE.

This is a capital Christmas game. The frogs, large and fat, are made of cardboard.

Each frog is threaded on a string, which later is secured at one end to a chair. The other end of the string is manipulated by the player in a series of tugs which jerk the frog along the floor.

It works well on a thick carpet, but should not be put on oilcloth or anything slippery, like parquet or polished boards, for a certain amount of resistance is needed.

As the frogs should be a fair distance apart, allow a chair for each string and tie this to the leg. Ask some one to sit upon the chair so that the jerks, which are sometimes very energetic, may not pull over the starting posts.

Fasten a white tape across the carpet with pins. The first frog that gets over this wins a prize.

The competitors desire speed, but the leisurely manner in which the frogs often respond creates shrieks of laughter from onlookers, especially when the race is a close thing.

MUSICAL THIMBLE HUNT.

Even the very small children find hunt the thimble a delightful game. The home folks may play it with the youngsters or they may play it when other Christmas fun runs low.

One of the company hides the thimble, while the one who is to hunt for it leaves the room. When it is properly hidden some one sits at the piano and plays, and the one who is to hunt for it comes in. Not a word is to be spoken, but when the hunter is near the hidden thimble the piano music must be loud, and when he goes away then the music must be low. It is much more fun than the old way of calling "hot" and "cold."

Donate Clothing—Please.

Anyone who has clothing that they will donate to charity will please hand the bundles to any driver on the Merchants Delivery service and the same will be handled by a committee of the Neighborhood club, whose duty it is to relieve those distressed in the city of La Grande. There are many here who need clothing to keep them warm this winter.

GLASS OF SALTS CLEANS KIDNEYS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.
