Bad Cold Quickly Broken Up.

Mrs. Martha Wilcox, Gowanda, N. Y., writes: "I first used Chamberlain's Cough Remedy about eight years ago. At that time I had a hard cold and coughed most of the time. It proved to be just what I needed. It broke up the cold in a few days, and the cough entirely disappeared. I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms." Obtainable everywhere.—Adv.

COUNTY CHAIRMAN COMING TURN HAIR DARK WITH SAGE TEA

SPLENDID POLITICAL DRAMA IN FILM FORM.

Arcade Will Run Big Dramatic Production Once Seen on Stage Here.

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandma's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.

Maclyn Arbuckle, one of the greatest stars and character actors of the present dramatic epoch, is presented in the latest Famous Players Feature in his noted impersonation of "The County Chairman" his greatest stage characterization, which will be shown at the Arcade Friday and Saturday. This is the first production of the film alliance between the Famous Players Film Co., and the noted theatrical producer, Henry W. Savage recently announced. The Play is Henry W. Savage's phenomenally successful production of George Ade's great comedy of love and politics. For many years the production has been described as one of the greatest comedy-dramas ever produced on the American stage, and in the opinion of many authorities, the subject most responsible for George Ade's distinction as the greatest humorist in the country.—Pd. adv.
