THE TOGGERY ANDREWS BROTHERS

Proprietors. La Grande, Ore.

Thursday evening's annual ball given by the Brotherhood of Locomotive Firemen and Enginemen, marked a new record for dance attendance in La Grande. The evening was spent in enjoyable dancing, but the committee in charge had prepared a special decoration features in the shape of a New Year's ball. At midnight the new year was greeted with proper salutations, and the dancing continued until all had been pacified. The party was held at Rex hall. The Brotherhood men who headed the committee and had full charge of everything, have been pronounced pastmasters in the business. They consist of Chas. Bedenfield chairman, Ed Gettings, W. H. Hamilton, Roy Forester, W. Williams and H. Kimmell. Each year the firemen give their annual ball in the holiday week, but though great success has attended their efforts in the past, last Thursday evening's party was easily the banner event of the many successive parties given by that brotherhood.

Members and friends of the Lutheran church enjoyed a pleasant and profitable evening at the parsonage, 806 Main street, when about 55 adults and some children gathered there on Thursday night. After a congregational meeting during which the officers were elected and other congregational matters were disposed of the rest of the evening was spent in a social way, until 15 minutes to 12 when a watchnight prayer service was commenced. When the bells and whistles began to be heard the congregation and pastor were repeating the Lord's Prayer. All who attended announced a most enjoyable evening and many expressed a desire to have the arrangements become permanent for the congregation. After wishing one another a hearty greeting the company disbanded at about 12:30.

The bride was attired in a beautiful gown of cream satin and lace and carried an armful of birdal roses. The wedding was a quiet affair, only relatives and close friends of the young couple being present. After the ceremony a dainty luncheon was served. The bride is one of Cove's most charming and popular young ladies and the groom is a prosperous orchardist. They will be at home to their many friends after January 15.

Signal honors are frequently bestowed upon Mrs. Fred G. Schilke in a fraternal way by the Eastern Star of Oregon; not the least of these was the invitation received and accepted to assist the grand worthy matron in installing the Eastern Star lodges of Portland jointly January 4th. Mrs. Schilke is now in Portland preparing for the event which to Portland's Eastern Stardom is one of the biggest events of the year. Mrs. Schilke is a member of the grand lodge but is not officiating in the installation next week in that capacity, having been specially designated as the assistant to the worthy grand matron, by that lady herself.

The Sunday School of the Lutheran church met at the home of Superintendent and Mrs. Drahn on Tuesday afternoon from 2 to 5 o'clock. If the shouts and songs of the children were a criterion all must have had a good time indeed. About 50 children and most of the teachers were present. The entertainment and treats were few such that when 5 o'clock came very few were ready for departure. It is likely that these Sunday School parties will continue once a month during the winter.

IF BACK HURTS BEGIN ON SALTS

Finish the Kidneys at once when Back-ache or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
